Outcome of Previous Facade Review:

Facade drawings found to be in full compliance with facade chart per facade review letter dated _____

Facade drawings received Section 9 Waiver from the Planning Commission and/or City Council on _____

Facade review letter not received to date

The facade drawings incorporated in this plan set are as follows: (list all drawings)

The facade drawings herewith submitted (list all drawings above) are identical to those previously submitted and reviewed by the City of Novi Plan Review Department and therefore do not require review by the City of Novi's architectural consultant. The facade drawings are submitted at this time for reference pursuant to reviews required by other disciplines and/or consultants. I understand that it is my responsibility to submit any and all revisions to the facade drawings that may occur to the City of Novi Plan Review Department.

Please note that if the previously submitted facade drawings were found to be in violation of the facade chart or the Planning Commission and/or City Council did not grant a required Section 9 Waiver, the project does not meet the qualifications to utilize this affidavit.
