

In order to provide better service to the people of our Community, the Novi Police Department has a feature in its computer system referred to as "Citizens with Special Needs." This feature will allow the Police/Fire Medical services to be aware of any special situations you may have prior to responding to your home. (For a better understanding, please see examples at right.)

Deaf &/or blind residents
Non-English speaking residents
Resident with particular medical condition
Unfriendly pets
Elderly resident lives alone

Please complete and return to the Novi Police Department.
