

HOSE BIB BACKFLOW PROTECTION GUIDE

Example Lawn Sprinkler Backflow Preventer

Pressure Vacuum Breaker (PVB)

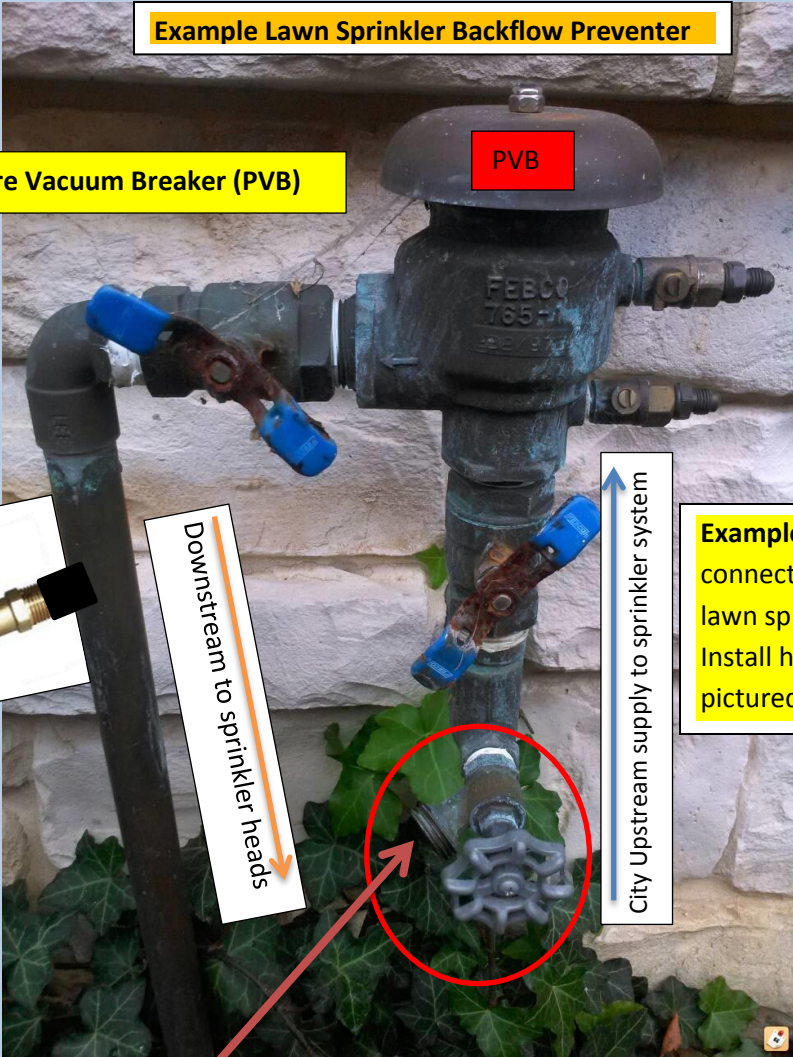

PVB

Note: No hose bib protection required for hose bib installed on downstream side of PVB

Note: Unprotected hose bibs may also be located within your garage.

Note: Within Novi City limits hose bib vacuum breakers can be purchased at Home Depot and Ace Hardware.

Example: Unprotected hose connection on upstream side of lawn sprinkler backflow preventer. Install hose bib vacuum breaker as pictured below.

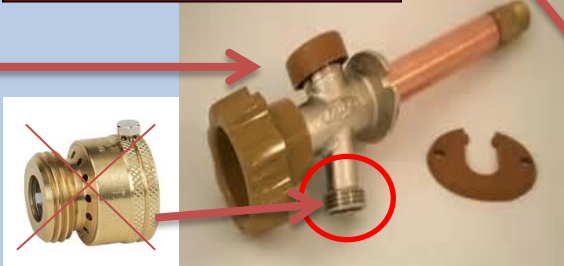

Hose bib vacuum breaker

Protected hose bib

Do not install a hose bib vacuum breaker on anti-siphon hose bib

No Further Protection Required

Anti-siphon/frost free hose bib

Typical un-protected hose bib (spigot) on side of house and lawn sprinkler backflow preventer
