BACKGROUND INFORMATION:

The new 2019 Escapes will replace four of the oldest and least reliable department-assigned pool vehicles.

- Vehicle #103 is a 2005 Jeep Liberty with 40,928 miles.
- Vehicle #116 is a 2005 Jeep Liberty with 54,905 miles.
- Vehicle #629 is a 2005 Jeep Liberty with 51,694 miles.
- Vehicle #631 is a 2007 Jeep Liberty with 38,372 miles.

The vehicles are currently in working condition, but replacing them now eliminates increased maintenance costs due to undercarriage rusting and age. The replacement pool vehicles are more fuel-efficient (Eco-Boost engines) and have updated safety technology, which reduces operating costs.
