BACKGROUND INFORMATION:

The Nine Mile Gravity Relief Sanitary Sewer Project involves the construction of sewer along Nine Mile from Kensington Road to Evergreen Court. Staff identified the project as high priority to eliminate the concern for redundancy of the Park Place pump station. Given the current proximity of the Park Place station, which is 1.6 miles from the closest gravity outlet (near Kensington Drive), a failure on the existing force main could result in sanitary service interruption and/or a major sewage overflow.

This project requires the acquisition of several easements prior to construction. During the design process, one temporary easement was identified from 47900 Nine Mile (parcel 50-22-29-400-025). The enclosed letter was sent to the property owner requesting a donation of the temporary grading permit. The letter also informed the property owner they are entitled to just compensation for the fair market value of the requested easements.

To formalize the valuation in the form of an offer, staff has worked with the City Attorney to prepare a Resolution Concerning Acquisition of Property and Approving Declaration of Necessity and Taking, and a Declaration of Taking to allow the City to begin proceedings to acquire the easements through eminent domain since the City has been unable to acquire the easements for the amounts stated in the offer letter.

This project is expected to begin construction later this fall or winter.

RECOMMENDED ACTION: Approval of (1) a Resolution Concerning Acquisition of Property and Approving Declaration of Necessity and Taking and Authorization of Offer to Purchase, and (2) a Declaration of Taking, for the purpose of making a good faith offer in the amount of $1,909, for a temporary grading permit over parcel 50-22-29-400-025 (47900 Nine Mile), for the construction of sanitary sewer as part of the project to extend sewer along Nine Mile Road from Kensington Road to Evergreen Court.

TEMPORARY GRADING PERMIT

I, ________________________________, as the Owner of the property described as 47900 Nine Mile Road, Novi, MI 48374 (parcel 22-29-400-025) grant the City of Novi and its contractor (or subcontractors) permission to access, move men and equipment on and through, the right to store materials and excavated earth, remove vegetation and alter the underlying land in, over, upon and through the properties described above in the particular areas shown in Exhibit A, attached.

The work will include:

Construction activities related to the installation of a gravity sanitary sewer and sewer service leads along the Nine Mile Road corridor from Evergreen Court to a sewer connection point west of Kensington Road. The specific work may include grading, tree removals, modifications to driveway approaches, and related construction activities required for the proposed sanitary sewer work in accordance with the approved plans. All work is contained in the set of construction plans entitled “Nine Mile Road Sanitary Sewer” by OHM Advisors.

All portions of the Premises damaged or disturbed by Novi’s exercise of temporary easement rights shall be reasonably restored by Novi to the condition that existed prior to the damage or disturbance.

I understand this only grants permission to the Contractor to perform work directly relating to the listed project and upon completion of required grading operations the property will be fully restored.

RE: Nine Mile Sanitary Sewer Project

Dear Mr. Denardo:

As you are aware, the City is planning to construct a sanitary sewer main along Nine Mile between Kensington Road and Evergreen Court. To facilitate construction of the project, easements will be required along a portion of the project limits, including a temporary easement along the Nine Mile frontage of your property. For your reference, the proposed easement has been enclosed for your review.

To help limit the cost of the project, and since this project provides a benefit to the property owners on Nine Mile, we are asking that these easements be donated. However, for your information, we determined the fair market value of the easement, which was determined based on the value of the property per square foot on the basis of assessment records. Per federal guidelines, the valuation of temporary easements are set at 10% of that value. The valuation for the easements being requested over your property is valued at $1,909. This is not a good faith offer at this point, but rather just a valuation for informational purposes.

If you are satisfied with the enclosed easement document, and choose to donate the easements, please return one signed, notarized copy for approval by our City Council and subsequent recording with the Register of Deeds. **If you choose not to donate the easements for the project, please contact me by May 31st at 248-735-5635 to discuss purchase of the easements.** Please feel free to contact me to further discuss the project or easements, and to address any questions or concerns you may have.

Sincerely,

Ben Croy
Water and Sewer Senior Manager
