upon a written request filed by the owner or owners of 75% of the state equalized value of the industrial property." (PA 198 4(2), 1974 as amended)

Establishing this parcel within an Industrial Development District will serve to enable the applicant the ability to apply for its respective industrial facility exemption certificate.

Pending Appeals
To the best of staff’s knowledge, there is no outstanding and/or pending property tax appeal(s) involving the property that is the subject of this request. There is no outstanding and/or pending appeal(s) involving the owner filing for IDD or subsequent IFEC tax incentive within the city.

Abatement Eligibility
Establishment of an industrial development district is a prerequisite to consideration of an industrial facility exemption certificate for any new real property and personal property improvements.

Based on reviewing the property records, the owner’s request, and the applicant’s subsequent request, staff recommends approval of the owner and applicant’s request for establishing an Industrial Development District encompassing parcel 50-22-16-226-003, consisting of a total of 10.000+ acres.
