SUBJECT: Approval of a Warranty Deed to dedicate 35 feet of half-width right-of-way along the west side of Cabaret Drive and approval of a Storm Drainage Facility Maintenance Easement Agreement from A123 Real Estate Ventures as part of the A123 development (parcel 50-22-15-126-016).

SUBMITTING DEPARTMENT: Department of Public Works, Engineering Division

BACKGROUND INFORMATION: A123 Real Estate Ventures is requesting the acceptance of a Warranty Deed conveying 35 feet of proposed half-width right-of-way along the west side of the Cabaret Drive frontage and acceptance of the Storm Drainage Facility Maintenance Easement Agreement (SDFMEA) for the storm water management system associated with the project.

The proposed right-of-way dedication of the right-of-way will bring this segment of Cabaret Drive to its full master planned right-of-way width. The enclosed letter from City Attorney (Beth Saarela, February 19, 2020) provides the Warranty Deed prepared for this dedication. This document has also been reviewed and approved by the City Attorney and City’s Engineering Consultant (Spalding DeDecker, February 10, 2020) and is recommended for acceptance.

The SDFMEA is a Storm Water Management Ordinance requirement and details the responsibilities of the property owner to properly maintain their privately owned on-site storm water system. The enclosed agreement has been favorably reviewed by the City Attorney (Beth Saarela, February 24, 2020) and the City Engineering consultant (Spalding DeDecker, February 10, 2020), and is recommended for approval.

RECOMMENDED ACTION: Approval of a Warranty Deed to dedicate 35 feet of half-width right-of-way along the west side of Cabaret Drive and approval of a Storm Drainage Facility Maintenance Easement Agreement from A123 Real Estate Ventures as part of the A123 development (parcel 50-22-15-126-016).

Re: A123 Systems JSP 17-0021  
Acceptance Documents

Dear Mr. Herczeg:

We have received and reviewed the following on-site documents serving the A123 Systems Development, and have the following comments:

- Water System Easement (*Approved*)
- Sanitary Sewer System Easement (*Approved*)
- Bill of Sale (*Approved*)
- Warranty Deed – Cabaret Drive ROW (*Approved*)
- Partial Discharge of Mortgage (Easements) (*Approved*)
- Partial Discharge of Mortgage (ROW) (*Approved*)
- Title Search

**Water and Sanitary Sewer System Easements**

A123 Real Estate Ventures, LLC seeks to convey the on-site Water System Easement and Sanitary Sewer System Easements serving A123 Systems Development. We have reviewed and approve the format and language of the above Water and Sanitary Sewer System Easements, as well as the corresponding Bill of Sale for water and sanitary sewer improvements. The Easements are consistent with the title commitment provided. A Partial Discharge of Mortgage has been provided over the easement areas. The exhibits have been reviewed and approved by the City's Consulting Engineer.

The Water and Sanitary Sewer System Easements once accepted by Affidavit of the City Engineer should be recorded with the Oakland County Register of Deeds in the usual manner, along with the Partial Discharge of Mortgage. The title search and Bill of Sale should be retained in the City's file.
Warranty Deed – Existing Cabaret Drive ROW

The Warranty Deed provided conveys the existing Cabaret Drive ROW adjacent to the development. The Warranty Deed is consistent with the title search provided. A Partial Discharge of Mortgage has been provided over the RPW area. The Warranty Deed has been executed and appears to be acceptable. The legal descriptions of the right-of-way area being dedicated have been reviewed and approved by the City’s Consulting Engineer. The Bill of Sale for paving is not required for existing paving not installed by the property owner. The Warranty Deed may be placed on an upcoming City Council Agenda for acceptance. Once accepted, it should be recorded with the Oakland County Register of Deeds in the usual manner, along with the Partial Discharge of Mortgage.

Please feel free to contact me with any questions or concerns in regard to this matter.

Very truly yours,

Elizabeth Kudla Saarela

Re: A123 Systems JSP 17-0021  
Storm Drainage Facility Maintenance Easement Agreement

Dear Mr. Herczeg:

We have received and reviewed and enclosed please find the Storm Drainage Facility Maintenance Easement Agreement for storm water drainage facilities serving the A123 Systems development. The Storm Drainage Facility Maintenance Easement Agreement is in the City’s standard format and is acceptable as provided. The City’s Consulting Engineer has reviewed and approved the attached exhibits. The Agreement appears to be in order and may be placed on an upcoming City Council Agenda for approval. Once approved and executed by the City, the Agreement should be recorded with Oakland County Records by the City Clerk’s Office.

Please feel free to contact me with any questions or concerns in regard to this matter.

Very truly yours,

[Signature]

STORM DRAINAGE FACILITY
MAINTENANCE EASEMENT AGREEMENT

THIS EASEMENT AGREEMENT is made this 14th day of October, 2019, by and between A123 Real Estate Ventures LLC, a Delaware limited liability company, whose address is c/o A123 Systems LLC, 39000 Seven Mile Road, Livonia, Michigan 48152 (hereinafter the "Owner"), and the City of Novi, its successors, assigns, or transferees, whose address is 45175 Ten Mile Road, Novi, MI 48375 (hereinafter the "City").

RECITATIONS:

A. Owner is the owner and developer of a certain parcel of land situated in Section 15 of the City of Novi, Oakland County, Michigan, described on the attached and incorporated Exhibit A (the "Property"). Owner has received final site plan approval for construction of an office lab space/assembly building development on the Property.

B. The office/lab space/assembly building development, shall contain certain storm drainage, detention facilities, including but not limited to, a detention/sedimentation basin, for the collection, conveyance, storage, treatment and/or discharge of storm water from the Property in accordance with all approved plans, and all applicable ordinances, laws and regulations.

C. Based on the topography of the site, the storm drainage detention basin elevation prohibits drainage by gravity and shall require storm drainage facilities, consisting of a pumped outlet from the basin, with a redundant pump and a backup generator (the basin, the redundant pump and a backup generator are hereinafter identified as the "Storm Drainage Facilities") to discharge storm water in accordance with all approved plans, and all applicable ordinances, laws and regulations.

D. Owner obtained a variance to operate and maintain the pumped outlet in accordance with the terms and conditions of the City's Engineering Design Manual, as amended from time to time.
NOW, THEREFORE, the Owner hereby covenants and agrees that the Owner shall, at its own expense, perpetually preserve, maintain, and repair the Storm Drainage Facilities which are part of the system, to ensure that the same continue to function as intended. The Owner shall establish a regular and systematic program of maintenance (the "Maintenance Plan") for such facilities and areas to ensure that the physical condition and intended function of such areas and facilities shall be preserved and maintained. The current Maintenance Plan is described in the attached and incorporated Exhibit B.

In the event that the Owner shall at any time fail to carry out the responsibilities specified within this agreement, and/or in the event of a failure to preserve and/or maintain the Storm Drainage Facilities in reasonable order and condition, the City may serve written notice upon the Owner setting forth the deficiencies in maintenance and/or preservation along with a demand that the deficiencies be cured within a stated reasonable time period, and the date, time and place for a hearing before the City for the purpose of allowing Owner an opportunity to be heard as to why the City should not proceed with the correction of the deficiency or obligation which has not been undertaken or properly fulfilled. At any such hearing, the time for curing and the hearing itself may be extended and/or continued to a date certain. If, following such hearing, the person conducting the hearing shall determine that the obligation has not been fulfilled or failure corrected within the time specified in the notice, as determined by the City in its reasonable discretion, the City shall thereupon have the power and authority, but not the obligation, to enter upon the Property, or cause its agents or contractors to enter the Property through the Ingress/Egress Easement Area as described and depicted in Exhibit C and perform such obligation or take such corrective measures as reasonably found by the City to be appropriate or necessary with respect to the Storm Drainage Facilities described and depicted in Exhibit D, for the purposes described above. The cost and expense of making and financing such actions by the City, including notices by the City and reasonable legal fees incurred by the City, plus an administrative fee in an amount equivalent to twenty-five percent (25%) of the total of such costs and expenses incurred, shall be paid by Owner within thirty (30) days of a billing to the Owner. All unpaid amounts may be placed on the delinquent tax roll of the City as to the Property, and shall accrue interest and penalties, and shall be collected as, and deemed delinquent real property taxes, according to the laws made and provided for the collection of delinquent real property taxes. In the discretion of the City, such costs and expenses may be collected by suit initiated against the Owner, and, in such event, the Owner shall pay all court costs and reasonable attorney fees incurred by the City in connection with such suit.

The Owner, its agents, representatives, successors, and assigns shall defend, indemnify, and hold harmless the City and the City's, elected officials, agents and employees, from any and all costs, claims, suits, actions, losses, damages, or demands, including court costs and attorneys' fees, relating in any way to or arising out of the design, construction, use, inspection, maintenance, repair, or operation (or omissions in such regard) of the storm drainage system which is the subject of this Agreement.

The parties hereto make this Agreement on behalf of themselves, their heirs, successors, assigns and transferees, and hereby warrant that they have the authority and capacity to execute this Agreement and bind the property as described in the terms and conditions of this agreement.

25429083.2
Invalidation of any of these covenants or conditions by Judgment or Court Order shall in no way affect the validity of any other provision which shall remain in full force and effect.

This agreement shall run with the land and be binding upon all owners, their agents, heirs, successors, assigns and transferees.

IN WITNESS WHEREOF, Owner has executed this Agreement as of the day and year first above set forth.

Re: A123 Fountain Park - Acceptance Documents Review  
Novi # JSP17-0021  
SDA Job No. NV18-206  
FINAL DOCUMENTS – EXHIBITS APPROVED

Dear Mr. Herczeg:

We have reviewed the Acceptance Document Package received by our office on February 7, 2020 against the Final Site Plan (Stamping Set) approved on April 5, 2018 and our as-built field records. We offer the following comments:

**Final Acceptance Documents**
The following items must be provided prior to the issuance of a Temporary Certificate of Occupancy. All documents must be completed using black ink as the County will reject them otherwise.

1. On-Site Water System Easement  
   (executed 10/3/19)  
   Legal Description Approved.

2. On-Site Sanitary Sewer Easement  
   (executed 10/18/19)  
   Legal Description Approved.

3. Storm Drainage Facility / Maintenance Easement Agreement  
   (executed 10/3/19)  
   Exhibits A, B, C, & D approved.

4. Warranty Deed for Road Right-of-Way (Cabaret Drive)  
   (executed 10/3/19)  
   Exhibits Approved

5. Bills of Sale: Sanitary Sewer System and Water Supply System  
   PROVIDED – APPROVED

6. Full Unconditional Waivers of Lien from contractors installing public utilities  
   PROVIDED – APPROVED

7. Sworn Statement signed by Developer  
   PROVIDED – APPROVED

Unless otherwise stated above, the documents as submitted were found to be acceptable by our office pending review by the City Attorney. Legal review will not occur until a current title policy is submitted.
to the City. For those documents which require revisions, please forward those revised documents to
the City for further review and approval.

The City Attorney’s Office will retain the original documents in their files until such time as they are
approved and ready (notarized and executed properly) for the Mayor’s signature.

**It should be noted** that the Plan Review Center Report dated March 5, 2018 contains all documentation
requirements necessary prior to construction and occupancy of the facility.

If you have any questions regarding this matter, please contact this office at your convenience.

Sincerely,

SPALDING DEDECKER
