Dear Camden Court Homeowners,

Enclosed you will find the final copy of the Rules and Regulations previously voted on by approximately 75% of all homeowners. Article VI, Section 12 of the By-laws requires a 50% or greater homeowner approval for a rule to be passed and adopted. If you remember a proposed rule and cannot find it within the attached information, that means it was not approved by the required number of homeowners and, per the By-laws, will not be an enforceable rule.

As a site condominium neighborhood, we are unique from standard sub-divisions and attached condominium homes. It is the intention of the Committees and Board to provide a balance where individual preferences are respected and the overall beauty of the neighborhood is maintained. As such, it is important for all of us to adhere to a set of standards that serve to beautify, protect, avoid nuisance and enhance the property values of Camden Court. To that end, the Board of Directors will be issuing a set of guidelines followed by the Architectural Control Committee when receiving your modification/alteration requests. These guidelines are enforceable and do not require a community vote, per the By-laws.

As you read through the enclosed reference manual it may become apparent that some of us are not in compliance with the Rules and Regulations. These Rules and Regulations take effect July 1, 2007, so please take a moment and acquaint yourself with these rules. If you find that you are not compliant with any of the rules enclosed, we respectfully ask that you make changes accordingly.

We sincerely hope that all co-owners will embrace the Rules and Regulations in a spirit of respect for one another and for the enhancement of our neighborhood. If there are any questions or concerns about this document that you want the Board to address, please put it in writing and send it to Kramer-Triad at the address or fax number below or feel free to contact any of the individuals below.

Thank you for your support,

Camden Court Board of Directors:

Bill Bear, Jeff Duneske, Frank Ellias, Meg Lindsey, Laurel Rachiele
