(4) Tie Vote. In the event of a tie vote for any office, either nominee for the office may request a recount of the votes cast. Should the recount disclose a tie vote or should no recount by requested, a selection to fill the office shall immediately be made by drawing if only two candidates were under consideration for the office. If more than two candidates were under consideration for the office, if more than two candidates received votes in the balloting, a re-vote shall be held with the two persons who tied for the most votes in the first balloting being the only persons considered on the second ballot. REstrictions:

1. DEVELOPERS. For the purposes of this Agreement, Novi Development Co., a Michigan corporation, whose principal place of business is located at 22060 Thirteen Mile Road, Birmingham, Michigan, or its successors and assigns, is hereby appointed, designated and hereinafter referred to as the "Developers".

2. RESIDENTIAL LOTS. All lots in said Subdivision shall be known and described as residential lots. No structure shall be erected, altered, placed or permitted to remain on any residential lot other than one single private family dwelling with attached private garage for not less than two (2) cars, except as herein otherwise provided. All attached garages shall be designed and constructed so that the garage doors do not face the street on which the lot fronts or abuts. No dwelling shall exceed one and one-half (1½) stories in height except that a tri-level or two (2) story may be allowed in the discretion of the Architectural Control Committee.

3. FRONT BUILDING LINE. No dwelling shall be located less that forty (40) feet from the front lot line. On any lot having a curved front lot line, the dwelling shall be located not less than forty (40) feet from the middle point of the front lot line. No dwelling shall be located less than thirty-five (35) feet from any side street line, nor twenty (20) feet from any side lot line. All projections shall be construed as part of the dwelling and must be constructed within the building lines.

4. MINIMUM FLOOR SPACE. No dwelling shall be placed or erected on any lot which has a livable floor space of less than twelve hundred (1200) square feet.
5. LOT SIZE. No lot shall be reduced in size by any method whatsoever without the prior written consent of the "Developers" or their duly authorized representatives. Lots may be enlarged by consolidation with one or more adjoining lots under one ownership. In the event one or more lots are developed as a unit, all restrictions herein contained shall apply as to a single lot. In any event, no dwelling shall be erected, altered, placed or permitted to remain on any site smaller than one (1) lot as shown on the recorded plat.

6. TREES AND SOIL. No trees which exceed six (6) inches in diameter shall be removed or cut nor shall surface soil be dug or removed from any lot for purposes other than building and landscaping on said lot without the prior consent of the "Developers" or their duly authorized representatives.

7. EASEMENTS. Easements for installation and maintenance of utilities are reserved in and over certain portions of each of the said lots as set forth in the aforesaid plat. After such utilities have been installed, planting, fencing or other lot line improvements shall be allowed so long as access without charges or liability for damages is granted for the maintenance of utilities so installed or for the installation of additional utilities.

8. NUISANCES. No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

9. TEMPORARY STRUCTURES. Trailers, tents, shacks, barns or any temporary building of any design whatsoever are expressly prohibited within this subdivision and no temporary residence shall be permitted in unfinished residential buildings. This shall not prevent the erection of a temporary storage building for materials and supplies to be used in the construction of a dwelling, and which shall be removed from the premises on completion of the building.

10. SIGNS. No sign of any kind shall be displayed to the public view on any lot except one sign of not more than five (5) square feet advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction and sales period. Such signs as are allowed must be maintained in good condition at all times and must be removed on the termination of their use.

13. GENERAL CONDITIONS. (a) No trailers or commercial vehicles, other than those present on business, may be parked in the subdivision. (b) No laundry shall be hung for drying in such a way as to be readily visible from the street on which lots front. (c) All homes shall be equipped with electric garbage disposal units. (d) All mail boxes shall be of uniform size, color and name design and shall be located uniformly with reference to the dwellings.
14. RAPID COMPLETION. The erection of any new building or repair of any building damaged by fire or otherwise shall be completed as rapidly as possible and should the owner leave such building in an incomplete condition for a period of more than six (6) months, then the "Developers" or their authorized representative are authorized and empowered either to tear down and clear from the premises the uncompleted portion of such structure, or to complete the same at their discretion, and in either event, the expense incurred shall be charged against the owners interest therein and shall be a lien upon said lands and premises.

15. OLD BUILDINGS AND MATERIALS. No old buildings may be moved on to any lot or lots in this subdivision.

16. ARCHITECTURAL CONTROL COMMITTEE. The "Developers" heretofore designated, their successors and assigns, shall constitute the Architectural Control Committee. The Architectural Control Committee shall have authority to pass on plans and specifications and otherwise guide the development of the Subdivision as planned and restricted herein. The Architectural Control Committee shall prepare rules and regulations for the conduct of its duties and shall provide for removal, replacement and resignation of its members.

17. COMMITTEE APPROVAL. No building, fence, wall or other structure shall be commenced, erected or maintained on any lot nor shall any addition to or change or alteration therein be made, except interior alterations, until the plans and specifications showing the nature, kind, shape, height, materials, color scheme, location on lot and approximate cost of such structure and the grading plan on the lot, including grade elevations of buildings to be built upon shall have been submitted to and approved in writing by the Architectural Control Committee or its authorized agent, and a copy thereof as finally approved, lodged permanently with the Committee. The Committee shall have the right to refuse to approve any such plans or specifications or grading plans which are not suitable or desirable in its opinion for aesthetic or other reasons. In passing upon such plans, specifications and grading plans, it shall have the right to take into consideration suitability of the proposed buildings or other structure to be built on the site upon which it is proposed to erect the same, the harmony thereof with the surroundings and the effect of the building or other structure as planned on the outlook from adjacent or neighboring property. It is understood that the purpose of this paragraph is to cause the Subdivision to develop into a beautiful harmonious, private residence section and that the Architectural Control Committee shall not be arbitrary in its decisions. If a disagreement on the points set forth in this paragraph should arise, the parties shall submit the same to arbitration by competent architects in the usual manner. The Committee may, in the exercise of its discretion as indicated above, permit the erection of such appurtenances as, for example, swimming pools or green houses.

18. ABATEMENT OF VIOLATIONS. Violation of any condition of restriction or breach of any covenant herein contained shall give the parties hereto, in addition to all other remedies, the right to enter upon the land as to which such violation or breach exists, and summarily to abate and remove, at the expense of the owner thereof, any erection or other violation that may or exist thereon contrary to the intent and provision hereof, and the parties hereto shall not thereby become liable in any manner for trespass, abatement or removal.
19. SALES AGENCY. Notwithstanding anything to the contrary herein contained, the parties hereto and the "Developers" may construct and maintain a sales agency office, together with a sign or signs of not more than two hundred (200) square feet of front surface, on lot or lots of their choosing in the Subdivision until such time as all of the lots in the Subdivision have been sold by them.

20. DURATION. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five (25) years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.

21. ENFORCEMENT. Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages. Failure to enforce any of the covenants herein contained shall in no event be deemed a waiver of the right to do so hereafter, as to the same breach or as to a breach occurring prior or subsequent thereto.

22. ASSIGNMENT. Any or all of the rights, powers and obligations, title, easements and estates reserved or given to the parties in this agreement, the "Developers" or the Architectural Control Committee, may be assigned to any corporation or association, composed of one-half (½) or more of the owners or property in said plat, that will agree to assume said rights, powers, duties and obligations and carry out and perform the same. Any such assignment or transfer shall be made by appropriate instrument in writing in which the assignee or transferee shall join for the purpose of evidencing its consent to the acceptance of such rights and powers, and such assignee or transferee shall thereupon have the same rights and powers and be subject to the same obligations and duties as are herein given to and assumed by the parties hereto, and parties hereto thereupon being released therefrom. When all of the lots in said plat have been sold by the parties hereto, upon demand by parties hereto, a corporation or association of the owners of lots in said plat shall be formed which shall assume said rights, powers, duties and obligations and carry out and perform the same, and the parties hereto thereupon shall be released. Such corporation or association when formed may by a majority vote, combine with any other corporation or association of owners of lots in any portion of "Connemara Hills" and the resultant corporation or association shall have all of the rights, powers, duties and obligations hereby given to the corporation or association first described in this paragraph.

23. SEVERABILITY. Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.

Nesting and Connenara Land Company, a Michigan corporation, also certify and acknowledge to all purchasers of said premises, and declare that their vendee's interests in the premises hereinafter referred to as the "Developers".

RESTRICTIONS:

1. DEVELOPERS. For the purposes of this Agreement, Novi Development Co., a Michigan corporation, whose principal place of business is located at 22060 Thirteen Mile Road, Birmingham, Michigan, or its successors and assigns, is hereby appointed, designated and hereinafter referred to as the "Developers".

2. RESIDENTIAL LOTS: All lots in said Subdivision shall be known and described as Residential Lots. No structure shall be erected, altered, placed or permitted to remain on any residential lot other than one single private family dwelling with attached private garage for not less than two (2) cars, except as herein otherwise provided. All attached garages shall be designed and constructed so that the garage doors do not face the street on which the lot fronts or abuts. No dwelling shall exceed one and one-half (1½) stories in height except that a tri-level or two (2) story may be allowed in the discretion of the Architectural Control Committee. Lots L146 and L145 in said subdivision may also be used for church and allied religious purposes and appropriate structures in accordance therewith may be erected thereon, subject, however, to the other provisions of this instrument.

3. FRONT BUILDING LINE. No dwelling shall be located less than forty (40) feet from the front lot line. On any lot having a curved front lot line, the dwelling shall be located not less than forty (40) feet from the middle point of the front lot line. No dwelling shall be located less than thirty-five (35) feet from any side street line, nor twenty (20) feet from any side lot line. All projections shall be construed as part of the dwelling and must be constructed within the building lines.

4. MINIMUM FLOOR SPACE. No dwelling shall be placed or erected on any lot which has a livable floor space of less than twelve hundred (1200) square feet.

5. LOT SIZE. No lot shall be reduced in size by any method whatsoever without the prior written consent of the "Developers" or their duly authorized representatives. Lots may be enlarged by consolidation with one or more adjoining lots under one ownership. In the event one or more lots are developed as a unit, all
restrictions herein contained shall apply as to a single lot. In any event, no dwelling shall be erected, altered, placed or permitted to remain on any site smaller than one (1) lot as shown on the recorded plat.

6. PLANTS AND SOIL. No trees which exceed six (6) inches in diameter shall be removed or cut nor shall surface soil be dug or removed from any lot for purposes other than building and landscaping on said lot without the prior consent of the "Developers" or their duly authorized representatives.

7. BASEMENTS. Basements for installation and maintenance of utilities are reserved in and over certain portions of each of the said lots as set forth in the aforesaid plat. After such utilities have been installed, planting, fencing or other like improvements may be allowed so long as access without changes or liability for damages be granted for the maintenance of utilities so installed or for the installation of additional utilities.

8. NUISANCES. No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

9. TEMPORARY STRUCTURES. Trailers, tents, shacks, barns or any temporary building of any design whatsoever are expressly prohibited within this subdivision and no temporary residence shall be permitted in unfinished residential buildings. This shall not prevent the erection of a temporary storage building for materials and supplies to be used in the construction of a dwelling, and which shall be removed from the premises on completion of the building.

10. SIGNS. No sign of any kind shall be displayed to the public view on any lot except one sign or not more than five (5) square feet advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction and sales period. Such signs as are allowed must be maintained in good condition at all times and must be removed on the termination of their use.

12. REFUSE. No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage, or other waste shall not be kept except in sanitary containers properly concealed from public view.

13. GENERAL CONDITIONS. (a) No trailers or commercial vehicles, other than those present on business, may be parked in the subdivision. (b) No laundry shall be hung for drying in such a way as to be readily visible from the street on which lots front. (c) Abandoned shall be equipped with electric garbage disposal units or approved type incinerator. (d) All mail boxes shall be of uniform size, color and name design and shall be located uniformly with reference to the dwellings.
14. RAPID COMPLETION. The erection of any new building or repair of any building damaged by fire or otherwise shall be completed as rapidly as possible and should the owner leave such building in an incomplete condition for a period of more than six (6) months, then "Developers" or their authorized representatives are authorized and empowered either to tear down and clear from the premises the incomplete portion of such structure, or to complete the same at their discretion, and in either event, the expense incurred shall be charged against the owners interest therein and shall be a lien upon said lands and premises.

15. OLD BUILDINGS AND MATERIALS. No old building may be moved on to any lot or lots in this Subdivision.

16. ARCHITECTURAL CONTROL COMMITTEE. The "Developers" heretofore designated, their successors and assigns, shall constitute the Architectural Control Committee. The Architectural Control Committee shall have authority to pass on plans and specifications and otherwise guide the development of the Subdivision as planned and restricted herein. The Architectural Control Committee may prepare rules and regulations for the conduct of its duties and shall provide for removal, replacement and resignation of its members.

17. COMMITTEE APPROVAL. No building, fence, wall or other structure shall be commenced, erected or maintained on any lot nor shall any addition to or change or alteration therein be made, except interior alterations, until the plans and specifications showing the nature, kind, shape, height, materials, color scheme, location on lot and approximate cost of such structure and the grading plans on the lot, including grade elevations of buildings to be built upon said have been submitted to and approved in writing by the Architectural Control Committee or its authorized agent, and a copy thereof as finally approved, lodged permanently with the Committee. The Committee shall have the right to refuse to approve any such plans or specifications or grading plans which are not suitable or desirable in its opinion for aesthetic or other reasons. In so passing upon such plans, specifications and grading plans, it shall have the right to take into consideration suitability of the proposed buildings or other structure to be built on the site upon which it is proposed to erect the same, the harmony thereof with the surroundings and the effect of the building or other structure as planned on the outlook from adjacent or neighboring property. It is understood that the purpose of this paragraph is to cause the Subdivision to develop into a beautiful, harmonious, private residence section and that the Architectural Control Committee shall not be arbitrary in its decisions. If a disagreement on the points set forth in this paragraph should arise, the parties shall submit the same to arbitration by competent architects in the usual manner. The Committee may, in the exercise of its discretion as indicated above, permit the erection of such appurtenances as, for example, swimming pools or green houses.

18. ABATEMENT OF VIOLATIONS. Violation of any condition or restriction or breach of any covenant herein contained shall give the parties hereto in addition to all other remedies, the right to enter upon the land as to which such violation or breach exists and summarily to abate and remove, at the expense of the owner thereof, any erection or other violation that may be or exist therein contrary to the intent and provision hereof, and the parties hereto shall not thereby become liable in any manner for trespass, abatement or removal.
19. SALES AGENCY. Notwithstanding anything to the contrary herein contained the parties hereto and the "Developers" may construct and maintain a sales agency office, together with a sign or signs of not more than two hundred (200) square feet of front surface, on lot or lots of their choosing in the Subdivision until such time as all of the lots in the Subdivision have been sold by them.

20. DURATION. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five (25) years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.

21. ENFORCEMENT. Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages. Failure to enforce any of the covenants herein contained shall in no event be deemed a waiver of the right to do so hereafter, as to the same breach or as to a breach occurring prior or subsequent thereto.

22. ASSIGNMENT. Any or all of the rights, powers and obligations, title, easements and estates reserved or given to the parties in this agreement, the "Developers" or the Architectural Control Committee, may be assigned to any corporation or association, composed of one-half (1/2) or more of the owners of property in said plat, that will agree to assume said rights, powers, duties and obligations and carry out and perform the same. Any such assignment or transfer shall be made by appropriate instrument in writing in which the assignee or transferee shall join for the purpose of evidencing its consent to the acceptance of such rights and powers, and such assigns or transferees shall thereupon have the same rights and powers and be subject to the same obligations and duties as are herein given to and assumed by the parties hereto, and parties hereto thereupon being released therefore. When all of the lots in said plat have been sold by the parties hereto, upon demand by parties hereto, a corporation or association of the owners of lots in said plat shall assume all of the covenants, rights and obligations hereunder, and the parties hereto thereupon shall be released. Such corporation or association when formed may by a majority vote, combine with any other corporation or association of owners of lots in any portion of "Connemara Hills No. 1" and the resultant corporation or association shall have all of the rights, powers, duties and obligations hereby given to the corporation or association first described in this paragraph.

23. SEVERABILITY. Invalidation of any one of these covenants by judgment of Court order shall in no wise affect any of the other provisions which shall remain in full force and effect.

Amendment To The Restriction Agreements Of Connemara Hills And Connemara Hills No. 1

Whereas on or about April 16, 1956, a certain Restriction Agreement was recorded with the Oakland County Register of Deeds Office regarding a subdivision located in Novi, Michigan known as Connemara Hills, said Restriction Agreement being recorded at Liber 3513, Pages 288 through 294.

Whereas on July 2, 1956, that Restriction Agreement was amended by the owners of all the lots within Connemara Hills, said amendment being entitled Restriction Agreement and having been recorded at the Oakland County Register of Deeds Office on July 12, 1956, at Liber 3354, Pages 397 through 399.

Whereas on or about December 12, 1956, a certain Restriction Agreement was recorded with the Oakland County Register of Deeds Office regarding a subdivision located in Novi, Michigan known as Connemara Hills No. 1, said Restriction Agreement being recorded at Liber 3631, Pages 133 through 139.

Whereas, Section 20 of the Restriction Agreements of April 16, 1956 and December 12, 1956 provide that they may be amended by the recording of an instrument signed by a majority of the then owners of the lots.

Now therefore, the undersigned agree that the following amendments may be made to the April 16, 1956 and December 12, 1956 Restriction Agreements:

1. Connemara Hills And Connemara Hills No. 1, are collectively referred to as the Subdivision.

2. The Restriction Agreements recorded on April 16, 1956 and December 12, 1956, as previously amended, are collectively referred to as the Deed Restrictions.
3. A. That any building, fence, wall or other structure (collectively “Structure”) located within the Subdivision, including Structures on the various individual lots, which were built and/or which are maintained in violation of the Deed Restrictions, including in violation of Section 17 (regarding the requirement that plans and specifications regarding the Structures be approved in writing by the Architectural Control Committee,) including but not limited to fences, sheds, garages and outbuildings (collectively, the “Unauthorized Structure”) shall be removed upon the “Next Sale” of the property or lot on which the Unauthorized Structure is located. It shall be presumed and agreed that any Unauthorized Structure located within the subdivision and/or on any lot, did not receive the required written approval from the Architectural Control Committee pursuant to Section 17 of the Deed Restrictions, unless the owner of the property or lot on which the Structure is located, has a document from the Architectural Control Committee expressly authorizing the construction and/or maintenance of that Structure.

B. The term “Unauthorized Structure” does not include an existing single private family dwelling with an attached private garage, as described at Section 2 of the Deed Restrictions, with the exception of the construction and/or remodeling of a single private dwelling and/or of a garage, which occurs after the recording of this Amendment, unless approval of that post-Amendment structure was obtained as provided at Section 17 of the Deed Restrictions.

C. The term “Unauthorized Structure” also does not include any addition/remodeling that is physically connected to a private residence dwelling and that is (1) used for additional living space or (2) is a deck or similar structure, and provided that the subject structure (e.g. –
addition, remodeling or deck) was completed prior to the recording of this Amendment. The construction of a new single private family dwelling, the addition, change and/or alteration of any such structure, including the construction of new additional living space to an existing dwelling, and/or the construction of decks and/or other structures, which are proposed/constructed after the recording of this Amendment, must be approved by the Architectural Control Committee as provided at Section 17 of the Deed Restrictions.

4. The “Next Sale” of the property is defined as the sale or transfer of the property or lot on which the Unauthorized Structure is located, by the person(s) and/or entity(s) (including a Trust) which owns the property or lot on the date this Amendment is recorded with the Oakland County Register of Deeds Office (the “Current Owner”).

A “Next Sale” includes any transfer of ownership or possession (as defined herein) of the property by the Current Owner, including but not limited to transfers made and/or evidenced by a Warranty Deed, Quit Claim Deed, Gift, Land Contract (whether recorded or not), Lease (as defined herein) or otherwise. The person(s) and/or entity(s) who/that purchases the property from the Current Owner is called the “Next Owner”. Regarding a Land Contract, the Next Sale is deemed to have occurred on the date the Land Contract is signed or the date the buyer(s) under the Land Contract takes possession of the property, whichever is earlier.

A “Next Sale” does not include (1) a sale or transfer to a person, who is at the time of the sale or transfer, is married to the Current Owner, provided that the Current Owner retains his or her ownership interest or (2) a transfer to a Revocable Trust for the benefit of either the Current Owner or the spouse of the Current Owner, provided that the Current Owner or his or her spouse continues to reside at the property or (3) a sale or transfer to one of the two Current Owners or
the former spouse of a current owner as the result of a Judgment of Divorce or a Settlement Agreement regarding a divorce.

A "Next Sale" includes the lease of the property for a period exceeding five (5) years, including a combination of leases that collectively exceed five (5) years, regardless of whether the lease(s) are in writing, are recorded and regardless of whether any rent is charged to and/or paid by the tenant/lessee.

Any sale, transfer or lease of the ownership and/or possession of the property or lot by the Next Owner back to the Current Owner does not void the applicability of the Next Sale from the Current Owner to the Next Owner.

5. It is the responsibility of both the Current Owner and of the Next Owner to completely remove any Unauthorized Structure(s) on the subject property or lot within 60 days after the Next Sale.

6. If the Unauthorized Structure is not completely removed within that 60 day period, an action may be commenced against the Current Owner and/or the Next Owner, for appropriate relief, including but not limited to a Court Order for the removal of the Structure, among other forms of relief and/or monetary damages. The Current Owner and the Next Owner are also jointly and severally liable to the person(s) who bring(s) the action (the Plaintiff) to pay the costs and reasonable attorney fees incurred by the Plaintiff as a result of the failure of the Current Owner and Next Owner to timely remove the Unauthorized Structure. This includes the costs and attorney fees incurred in the course of any investigation regarding compliance with this Amendment and/or in any proceeding to compel the removal of the Unauthorized Structure, including the costs and attorney fees associated with any demands for compliance, a legal action
for compliance, those incurred in obtaining an Order for the removal of the Unauthorized Structure, in the enforcement of any Order or Judgment, in any and all appellate proceedings and in any and all proceeds ordered by the appellate court, including additional proceedings at the trial level. This provision is in addition to and is not a waiver of any rights given to subdivision and/or lot owners in the Deed Restrictions.

7. This Amendment does not prevent any lot owner(s) within the Subdivision from taking legal action at any time (including prior to the Next Sale), to enforce the Deed Restrictions in any manner, including an action seeking the removal of any Unauthorized Structure(s) built and/or maintained in violation of Section 17 of the Deed Restrictions, including enforcement pursuant to Section 21 of the Deed Restrictions (or otherwise).

8. This Amendment is not a waiver of the obligation of property and/or lot owners to obtain the written approval of the Architectural Control Committee prior to erecting and/or maintaining any Structure or other item on their property and/or lot as required by Section 17 of the Deed Restrictions or as otherwise required.

9. The written and/or verbal approval by (1) the City of Novi, (2) any other governmental agency and/or (3) by any other person or entity, of any proposed Structure, does not relieve a property or lot owner from obtaining the express written approval from the Architectural Control Committee regarding the plans and specifications for the erection, alteration and/or maintenance of that Structure as required by Section 17 of the Deed Restrictions.

10. The following described Structures were approved by the Architectural Control Committee. As such, these Structures are not Unauthorized Structures and are not subject to
removal pursuant to Section 5 of this Amendment:

Fences - Lot 4, 58

Garage - Lots 11, 18, 19

Gazebo - Lot 58

Shed - Lot 25, 33

11. The present Unauthorized Structures within the Subdivision include, but are not limited to the following:

Garage - Lot 141

Shed - Lots 12, 23, 24, 30, 34, 46, 59, 77, 119, 131, 137, 141, 145, 146

Fences - Lots 59, 80, 92, 108, 122, 127, 128, 129, 130, 134, 139

These Unauthorized Structures are subject to removal pursuant to Sections 5 and/or 7 of this Amendment.

12. The provision in the July 2, 1956 Restriction Agreement regarding lots 1 and 2 of Connemara Hills and the provision in the December 12, 1956 Restriction Agreement regarding lots 144 and 145 of Connemara Hills No. 1, (see paragraph 2 of that Restriction Agreement), which provide that those four lots may be used "...for church and allied religious purposes and appropriate structures in accordance therewith, may be erected thereon..." is eliminated from the Deed Restrictions and are of no further force or effect. As a result, those four lots may only be used for the purposes of one single private family dwelling with attached private garage, as provided at Section 2 of the Restriction Agreements of April 16, 1956 (as amended by the Restriction Agreement of July 2, 1956) regarding Connemara Hills and of December 12, 1956 regarding Connemara Hills No. 1.
13. The provision which appears at Section 17 of the Deed Restrictions and reads: "If a disagreement on the points set forth in this paragraph should arise, the parties shall submit the same to arbitration by competent architects in the usual manner." is eliminated and removed from the Deed Restrictions and is of **no further force or effect**.

14. For purposes of future Amendments to these Deed Restrictions, Connemara Hills and Connemara Hills No. 1, are considered to be a single subdivision. As such, an Amendment to the Deed Restrictions of Connemara Hills and Connemara Hills No. 1 will be effective upon the written approval of a majority of the **combined** lot owners of Connemara Hills and Connemara Hills No. 1.

15. This Amendment amends the Deed Restrictions only as expressly stated in this Amendment. In the event of a conflict between this Amendment and the Deed Restrictions, the terms of this Amendment control.

16. The failure of any lot owner(s) to enforce any provision of the Deed Restrictions, as amended, including Section 3 of this Amendment, is not a continuing waiver of the ability of any lot owner(s) to enforce any particular provision of the Deed Restrictions, including any provision which may ultimately be enforced by any lot owner(s), including Section 3 of this Amendment.

17. The undersigned, all being owners of a lot or lots within Connemara Hills agree that the Deed Restrictions of Connemara Hills may be amended as provided in this Amendment.
