

Neighborhood Entryway Enhancement Matching Grant Program

Since 2015, more than twenty neighborhoods have received support through the City of Novi's Neighborhood Entryway Enhancement Matching Grant Program. The program provides funding assistance to Novi Homeowner Associations to support their efforts to enhance their neighborhoods through high-quality, sustainable neighborhood entranceway beautification projects.

Projects considered for grant eligibility must be intended to beautify a neighborhood entrance through significant and permanent physical improvements, which may include adding or modifying entrance signs, constructing flower beds, planting trees and shrubs, upgrading lighting, and making other entryway-related improvements.

All improvement projects must be located on the perimeter of the neighborhood (i.e. visible from outside the neighborhood) and not on interior streets or in common areas.

Neighborhoods are eligible for a 50% match up to a maximum \$5,000, at the City's sole discretion.

Complete grant details are available at cityofnovi.org. Applications will be accepted January 13 through January 31, 2020. Any questions should be submitted to Community Relations at EntrywayGrant@cityofnovi.org or **248.735-5628**.

We look forward to your neighborhood's application submission as we enhance our Novi TOGETHER!
