

“One Novi” Community Quilt Project

Creating A Quilt Square Guidelines

What do you love about living in Novi? The parks? The trails? The beach? The schools? The restaurants? The shopping? The people? It's diversity? *IT'S TIME TO GET CREATIVE!*
Make a quilt square and tell us about it! **New Submission deadline: April 30.**

Size:

Total size is 13 inches by 13 inches:

12" x 12" with an additional 1/2" seam allowance on all sides.

The seam allowance is like your margin.

When the quilt is assembled, the squares will be stitched together along the red lines. Anything outside that line will not be visible. You do not have to mark these lines, just be aware that your design should end there.

Materials:

Your quilt square can be made out of any material that can be washed and stitched. If you don't sew, you can cut a square from an old clean t-shirt or pillowcase and decorate it:

- Use fabric markers, fabric paints or iron-on transfers.
- Use a little bit of permanent fabric glue with soft felt, sequins, pompoms or yarn.

If you knit, crochet, cross-stitch, needlepoint, or embroider, use that skill to make a square!

Please do not use: paper, stiff felt, plastic foam or materials that tear easily.

Be part of the Novi Community:

1. Make a quilt square!
2. Take pictures of quilt square with the makers and share your story via email: noviparks@cityofnovi.org.
3. Submit your quilt square by April 30 by completing the entry form on reverse.
