The meeting of the Lake Improvement Board for Walled Lake was held at the Novi Civic Center at 45175 W. 10 Mile Road on August 19, 2010. The meeting was called to order by Dave Galloway, Chairman, at 7:01 p.m.

Present: William Burke, City of Walled Lake  
Brian Coburn, Secretary-Treasurer, City of Novi  
Dave Galloway, Chairman and Riparian Representative  
Karen Warren, Oakland County Water Resource Commissioner’s Office  
Also Present: Spalding DeDecker representatives David Potter, Brian McKissen and Diane Martin  
Mark Roberts, Attorney, Secrest Wardle

Chairman Galloway announced that, due to the death of County Commissioner Jeff Potter, there would be only four members comprising the Lake Board. It was unlikely that anyone would be appointed to fill the vacancy until a new County Commissioner was elected in November.

Secretary-Treasurer Coburn indicated that he needed to verify the number of lakefront parcels reported in the Minutes of June 17, 2010.

Moved by Burke, Supported by Coburn; CARRIED 3-0, 1 abstention: To approve the Minutes of June 17, 2010.

Galloway  
Burke  
Coburn  
Warren

Moved by Coburn, Supported by Warren; CARRIED UNANIMOUSLY: To approve payment of Bills.

Mr. Galloway stated that the Board had invited Spalding DeDecker, the consultant for the engineering study, to make a presentation regarding the original recommendation and to address treatment alternatives that had been suggested by the public during the assessment public hearings.

David Potter and David McKissen reiterated that the primary focus was aquatic plant management, which could be done by mechanical weed harvesting, chemical treatment, weevil application or a combination. The recommendation from Spalding DeDecker was to apply mechanical weed harvesting to 75 percent of the Lake and
apply chemical treatment to 25 percent of the Lake. Mechanical harvesting couldn’t be done in shallow water; that was the reason for chemical treatment to 25 percent of the Lake. They did not recommend the use of weevils because they were expensive at $1 per bug and it was a three-five year process.

At Public Comment there were ten people that addressed the Board. The Board members informally agreed that the residents could ask questions of the consultant. Among the comments were concerns about the use of chemicals, frustration by residents on the east side of the lake that have to collect the weeds that wash ashore, clarification about the harvesting and chemical treatment areas as proposed, support for the use of weevils, concern about the use of chemicals near drinking water wells, support for the board to address the weed problem, and a report by Mayor Roberts of Walled Lake that several petitions to dissolve the Lake Board were delivered to Walled Lake City Council at its last meeting.

There was pause at Public Comment to consider other business.

Moved by Coburn; supported by Warren; CARRIED UNANIMOUSLY: To approve $750 invoice from Spalding DeDecker for advance preparation and this evening’s presentation.

*Karen Warren left the meeting.

Public Comment continued with two more individuals: one opposed to the SAD and the other stating that weeds are increasing and doing nothing was not an option.

Public Comment was closed.

Mark Roberts stated that the project had been approved, the Special Assessment had been approved; the question was whether it needed to be modified.

Mr. McKissen stated that if there were to be a weevil experiment, he would suggest three sites, with 5,000 weevils at each site, costing approximately $1 per weevil.

Mr. Galloway stated that if there was a demo project, it would take dollars away from the rest of the project; he asked if it should wait until next year.

Mr. Burke did not want to have the Lake be a guinea pig.

Mr. Coburn stated that no decision should be made tonight; the Board needed to be prudent with the dollars it had.

Moved by Burke; supported by Coburn; CARRIED UNANIMOUSLY: To schedule a meeting for September 30, 2010, at 7:00 p.m. to allow for time to finalize the project before bidding.
ADJOURNMENT: There being no further business to come before the Lake Board, the meeting was adjourned at 9:25 p.m.

TO: WALLED LAKE IMPROVEMENT BOARD MEMBERS
FROM: BRIAN COBURN, P.E.; SECRETARY/TREASURER
SUBJECT: DRAFT BID DOCUMENTS FOR 2011 WEED CONTROL PROJECT
DATE: SEPTEMBER 24, 2010

The attached draft version of potential bid documents has been drafted for your review. The intent of the document was to provide the template from which the actual bid documents would be drafted as a result of the meeting scheduled for September 30, and not to presume the types of treatment that would be included in the bid documents.

The attached version contains draft specifications that are still a work in progress. These would be finalized after the meeting on September 30 and prior to advertisement for bids.

Once the scope of the project is finalized by the Lake Board, the bid documents (including the specifications) would be finalized and advertised. I propose a 3 week advertisement period and propose that the bid documents be opened by City of Novi staff, tabulated and provided to the Board members in advance of the next meeting. At that next meeting, date to be determined, the Board could discuss and potentially award a contract to the approved vendor.
INVITATION FOR BIDS

The Walled Lake Improvement Board will receive sealed bids for a project consisting of aquatic plant herbicide treatments and mechanical weed harvesting of Walled Lake, located in the cities of Novi and Walled Lake, Oakland County, Michigan. All bids shall be submitted to:

Walled Lake Improvement Board
c/o City of Novi Clerk’s Office
45175 W Ten Mile Road
Novi, MI 48375

by __________ PM, local time, on _____________, 2010. No Bids will be received after that time.

Brian Coburn, Secretary/Treasurer
Walled Lake Improvement Board
INSTRUCTIONS TO BIDDERS

Definitions
“Board” shall mean the Walled Lake Improvement Board (mailing address is: c/o City of Novi Clerk, 45175 W. Ten Mile Road, Novi, MI 48375).

Background
Walled Lake is located in Sections 2 and 3 of the City of Novi and Sections 34 and 35 of the City of Walled Lake, Oakland County, Michigan. The lake has a surface area of approximately 652 acres, of which 150 acres is targeted for aquatic

The Lake Improvement Study for Walled Lake contains additional information including maps and can be found at:
http://cityofnovi.org/Services/PublicWorks/Engineering/LakeImprovementBoard/LakeImprovementBoardStudy091201.pdf

Examination of the Contract Documents
Before submitting a Bid, each Bidder should:
   a. Examine the Bid Documents (including any Addenda and the other related data identified in the Bidding Documents) thoroughly;
   b. The bidder shall make all the investigations necessary to thoroughly inform himself/herself regarding access to the lake for the equipment he/she may require for his/her operation;
   c. Become familiar with Federal, State, and local laws, ordinances, rules and regulations affecting performance of the work; and
   d. Carefully correlate his observations with the requirements of the Bid Documents.

Where information concerning existing conditions, is provided in the Bid Documents, such information is provided for the convenience of the Bidder and not as a guarantee of conditions. The Bidder shall be satisfied as to the sufficiency and representativity of such data, and shall make all investigations necessary so that the Bid shall be based upon knowledge and estimation of conditions to be met. The Bidder shall make all the investigations necessary to become adequately informed regarding the availability of all facilities which will be required to perform the work. No plea for ignorance of existing conditions shall be accepted. No claims will be accepted for extra compensation or extensions of time. If the Contractor fails or omits to complete all of the requirements of this contract, he/she shall be responsible for corrections.

Submission of a Bid will constitute an incontrovertible representation by the Bidder that Bidder has complied with all the requirements of this Section.

Qualifications of Bidder
To demonstrate Bidder’s qualifications to perform the Work, the Bidder shall furnish all of the applicable information on the enclosed Bidder Questionnaires. The aforementioned questionnaire must be submitted with the sealed Bid at the time of the Bid Opening.

Either the bidder or their subcontractor shall be certified for aquatic pest management and hold a commercial applicator license from the Michigan Department of Agriculture in accordance with Part 83 of Act 451 of 1994, as amended. If the bidder does not hold said certification, the bidder shall
furnish the name and address of the subcontractor that is certified for aquatic pest management that would be used to complete the work along with the bid.

**Interpretation of Bid Documents**
All questions about the meaning or intent of the Bid Documents shall be submitted to the Board in writing. If a bidder finds omissions or discrepancies in the bid documents, he/she should notify the Board at once so that the Board can issue an addendum to all bidders. Replies will be issued by Addenda and mailed or delivered to all parties recorded by the Board as having received the Bidding Documents. Questions received less than seven (7) days prior to the date of opening of Bids will not be answered. Only those questions that are answered by formal written Addenda will be binding. Oral and other interpretations or clarifications will be without legal effect.

**Preparation of Bid**
The Bid form is included with the Bidding Documents. All blanks on the Bid form shall be completed by printing in ink or by typewriter and the Bid signed. A Bid price shall be indicated for each unit price item listed therein, or the words “no Bid”, “No Change”, or “Not Applicable” entered. In case of discrepancy between the Total Amount Bid and the summation of the products of item quantity and unit price, unit prices shall govern. Only one (1) copy of the bid form is required.

Alterations to prices or amounts already entered on the Bid form may be made only by crossing out the price or amount in ink and entering the new price or amount above or below the voided price or amount in ink, with the change initialed and dated by the Bidder in ink.

The Bid shall contain an acknowledgement of receipt of all Addenda, the numbers of which shall be filled in on the Bid form.

Alternate Bids will not be considered unless expressly requested by the Board. Oral Bids will not be considered. A conditional Bid or conditions attached to Bids shall have no force or effect.

A Bid shall be submitted no later than the date and time prescribed and at the place indicated in the Advertisement for Bids and shall be enclosed in an opaque, sealed envelope, plainly marked with “WALLED LAKE AQUATIC WEED CONTROL BID” and name and address of the Bidder. Each bidder shall complete the Bidder Questionnaire and submit it with his/her Bid Form. If a Bid is sent by mail or other delivery system, the sealed envelope containing the Bid shall be enclosed in a separate envelope plainly marked on the outside with the notation “BID ENCLOSED.”

Bid forms with facsimile or other electronically transmitted signatures will not be considered.

**Modification or Withdrawal of Bids**
Any Bidder may withdraw its Bid, either personally or by written request, at any time prior to the scheduled time for Bid Opening. If, within 24 hours after Bids are opened, any Bidder files a duly signed, written notice with Board and promptly thereafter demonstrated to the reasonable satisfaction of Board that there was a material and substantial mistake in the preparation of its Bid, that Bidder may withdraw its Bid. Thereafter, if the Work is rebid, that Bidder will be disqualified from further bidding on the Work. No withdrawal of a Bid shall be permitted on account of mistake or any other reason after the expiration of this 24 hour period.

Bids received after the time and date specified will not be considered.
Bids shall remain firm for 120 days. If there are any reasons why the contract cannot be awarded within this specified time period, the time of award may be extended by mutual agreement between the Board and the bidder.

**Opening of Bids**

Bids will be opened at the time and place indicated in the Advertisement for Bids and, unless obviously nonresponsive, read aloud publicly. An abstract of the amounts of the Bids and alternates, if any, will be made available to Bidders after the opening of Bids.

**Award of Contract**

The Board reserves the right to accept any Bid or alternate and award the Contract to other than the lowest bidder; to waive any irregularities or informalities, or both; to reject any or all Bids; and in general to make the award of the Contract in any manner deemed by the Board, in its sole discretion, to be in the best interests of the Board. No conditional or qualified bids will be accepted.

More than one Bid for the same Work from an individual or entity under the same or different names will not be considered. Reasonable grounds for believing that any Bidder has an interest in more than one Bid for the Work may be cause for disqualification of the Bidder and the rejection of all Bids in which that Bidder has an interest.

Bids will be evaluated based upon cost and prior experience. Opening and reading the Bids shall not constitute the acceptance of a Bidder as qualified. The right is reserved by the Board to determine a Bidder’s qualifications, either from the Board’s knowledge or from other sources.

Should the Board be unable to award the Contract within 120 calendar days following the opening of Bids, the Board reserves the right to award the Contract at a later date to the lowest qualified Bidder at its Bid price, providing said Bidder is willing to accept such award.

The Board further reserves the right to add or delete any and all items of work for any reason whatsoever, including but not limited to, budgetary constraints, court action, or the inability to obtain necessary permits.

**Insurance**

The successful Bidder will be required to carry and furnish proof of insurance including worker’s compensation and general liability coverage for bodily injury and property damage in the minimum amount of $1,000,000 for each occurrence of bodily injury and $1,000,000 for each occurrence of property damage. The general liability insurance certificate must include a provision which states the insurance covers the application of aquatic herbicides to inland lake. The general liability insurance obtained must name the Walled Lake Improvement Board, the City of Novi, the City of Walled Lake, their officers, agents, servants, volunteers, and employees as additional insured.

Such insurance must be issued by companies and in a form satisfactory to the OWNER. Certificates of such insurance must be attached to each copy of the executed Contract. These certificates shall contain a provision that coverages afforded under the policies will not be cancelled or materially changed unless at least thirty (30) days prior written notice has been given to the Board, as evidenced by return receipt or registered or certified mail.

END OF SECTION
SPECIFICATIONS

Aquatic Herbicide Application

1. Pursuant to the provisions of Part 33, Aquatic Nuisance Control, of PA 451 of 1994 (the Natural Resources and Environmental Protection Act), as amended, the Contractor must obtain a permit from the Michigan Department of Natural Resources and Environment (MDNRE) prior to applying herbicides to Walled Lake. With the exception of the application fee, the Contractor shall be responsible for all other costs associated with acquiring approvals and permits from the MDNRE. The application for permit must be submitted to the MDNRE prior to January 15, 2011. A copy of said permit application shall be provided to the Board with 5 days of submittal to MDNRE. When received from MDNRE, contractor shall provide a copy of said permit, in its entirety, to the Board prior to initiating the herbicide treatment program. Upon receipt of permit copy, the Board will reimburse application fee to the contractor.

2. Approximately 30 acres of Walled Lake contain nuisance weed growth that is targeted for control using aquatic herbicide. Adjustment to the areas and number of acres to be treated may be made by the Board if found appropriate in view of the nature or extent of plant growth in the lake. Areas and the number of acres to be treated will be specified in writing by the Board.

3. The initial herbicide application shall be conducted in the time period between May 10 and May 25, 2011. A follow-up application shall be conducted within 30 days of the initial application at no cost to treat areas in which adequate die-back of targeted plants did not occur. The Board’s representative must be present during any application of fluridone. The Board may modify the actual timing of herbicide treatments from the above requirements if found appropriate based upon the type and distribution of plants in the lake and MDNRE permit conditions. Herbicide applications shall be timed such that no swimming or fishing restrictions are in effect during legal holidays or weekends. The Contractor shall not apply herbicides to Walled Lake, under contract with any entity other than Walled Lake Improvement Board, without explicit authorization from the Walled Lake Improvement board, unless Contractor has obtained a separate permit from MDNRE.

4. The predominant aquatic nuisance plant found in Walled Lake has been Eurasian milfoil.

5. The Contractor shall not apply herbicides to undeveloped shoreline areas or wetlands without explicit authorization from the Board.

6. The Contractor shall not apply herbicides to visible fish spawning beds.

7. The Contractor shall comply with a permit conditions in the MDNRE permit.

8. All herbicides applied to Walled Lake must be approved by the MDNRE and shall be handled, stored, and applied in a manner consistent with state regulations and manufacturer’s instructions. The Contractor is responsible for all postings and notifications required by the MDNRE permit conditions.
Mechanical Harvesting of Aquatic Weeds

1. Approximately 120 acres of Walled Lake contains nuisance weed growth that is targeted for control using mechanical harvesting. Adjustment to the areas and number of acres to be treated may be made by the Board if found appropriate in view of the nature or extent of plant growth in the lake. Areas and the number of acres to be treated will be specified in writing by the Board.

2.
CONTRACT

THIS AGREEMENT, made and entered into this ___________ day of __________________, 20_____, by and between the Walled Lake Improvement Board, hereinafter called the
“Board,” and __________________________________________________________________
hereinafter called the “Contractor,” to wit:

1. That the Contractor shall furnish all materials, supplies, machinery, equipment, tools, superintendence, labor, insurance, and other accessories necessary to perform and complete in a workmanlike manner, all work required for the construction of the Project, in strict compliance with the Bid Documents herein mentioned, which are hereby made a part of the Contract.

2. That the Contractor shall indemnify the Board, its officers, agents, servants, volunteers, and employees from any and all liabilities, claims, liens, demands, and costs, including Contractor’s own employees and for loss or damage to any property in connection with or in any way incidental to or arising out of the occupancy, use, service, operations, performance or non-performance of work in connection with this contract resulting from negligent acts or omissions of Contractor, any Subcontractor, or any employee or representative of Contractor.

IN CONSIDERATION WHEREOF, said Board promises and agrees to pay to said Contractor the sum provided in the attached bid, dated ____________________________,20_____.

$_____________________________ (____________________________________________
______________________________________________________________________________).
(amount in figures and writing)

Payments shall be made upon satisfactory completion of the aquatic herbicide treatments and mechanical weed harvesting based on a review of the payment submittal forms and a visual inspection by the Board, in current funds at the unit prices state in the Contractor’s Bid.

For the faithful performance of all of the stipulations, terms, and conditions of this agreement, said parties respectfully bind themselves and their, executors, administrators, and assigns.
IN WITNESS WHEREOF, the parties have hereunto set their hands, in duplicate, the day and year first above written.

Re As residents of Blomfield sub, we want to state our appreciation of the great amount of time & effort invested on our behalf by Lake Board Members - particularly the Chairperson David Galloway.

At planning meetings, we've heard Dave's thoughtful analysis of issues & processes he's looked into for us. We couldn't hire a better person to address our lake improvement concerns. The fact that he's doing such a professional job - for NO WAGE - testifies to the type person he is. THANK YOU, DAVE!

Sincerely,

Brian,

Would like to propose the following:

Point Du Lac condominiums at 106 E. Walled Lake Drive and 127 S. Pontiac Trail, Want to be used as a trial area for the herbicide application to control the growth of Eurasian Milfoil.

We would be willing to do the monitoring and other testing required to determine if this approach is beneficial.
