SUBMITTING DEPARTMENT: Engineering *RT*

CITY MANAGER APPROVAL: *[Signature]*

BACKGROUND INFORMATION:

The Road Commission for Oakland County (RCOC) has provided an Agreement for Traffic Control Device for the ongoing maintenance costs associated with the new traffic signal to be constructed at the intersection of Meadowbrook Road and Eleven Mile Road. The construction award is being considered as a separate item on this agenda.

Once constructed, the agreement anticipates that the City will pay 100% of the maintenance costs for the signal. (Both Meadowbrook Road and Eleven Mile Road are under the City's jurisdiction). Routine maintenance costs for this intersection average less than \$150 per month.

The standard agreement from RCOC has been reviewed by the Engineering Department and the City Attorney's office and approval is recommended.
