**Agenda Item G  
May 9, 2011**

**SUBJECT:** Approval to extend the 2010 Uniform Contract (an annual contract with two (2) one year renewal options) with Allie Brothers, Inc. for the Police Department and add the Fire Department uniforms to the contract for one year based on the same terms, conditions and pricing as the original contract at an estimated amount of \$50,000-\$60,000.

**SUBMITTING DEPARTMENT:** Public Safety *DEM*

**CITY MANAGER APPROVAL:** *[Signature]*

<b>EXPENDITURE REQUIRED</b>	<b>Estimated \$50,000-\$60,000</b>
<b>AMOUNT BUDGETED</b>	<b>\$118,300 (Includes turn-out gear, cleaning and other items)</b>
<b>APPROPRIATION REQUIRED</b>	<b>N/A</b>
<b>LINE ITEM NUMBER</b>	<b>101-301.00-741.000 and 101-337.00-741.000</b>

**BACKGROUND INFORMATION:**

The City of Novi contracts for the purchase of uniforms for the Police and Fire Departments. In early 2010 the City posted bid documents on the Michigan Intergovernmental Trade Network (MITN) for Police and Fire uniforms and received three (3) bids. The contract was awarded in May 2010 to two firms based on unit pricing. Allie Brothers, Inc was awarded the contract for the purchase of Police Department uniforms and North Eastern Uniforms and Equipment, Inc. was awarded the contract for the purchase of Fire Department uniforms. The third bidder was disqualified.

Over the past year, the Police Department has been pleased with the performance of Allie Brothers and would like to pursue a renewal. Based on the unsatisfactory experience with North Eastern Uniforms and Equipment over the past year it is the recommendation of staff not to renew the contract with North Eastern Uniforms and Equipment. Allie Brothers, Inc. has expressed their desire to renew the Police Department contract and to add the Fire Department contract at the same prices, terms and conditions of their bid on March 10, 2010. Since the City only received two qualified bids, and Allie Brothers, Inc. has agreed to hold pricing, City staff recommends adding the Fire Department to the contract rather than separately bidding the Fire Department contract, as there appears to be no cost benefit to rebidding the Fire Department uniforms. The estimated increase in the Allie Brothers, Inc. contract to add the Fire Department is \$20,000.

**RECOMMENDED ACTION:** Approval to extend the 2010 Uniform Contract (an annual contract with two (2) one year renewal options) with Allie Brothers, Inc. for the Police Department and add the Fire Department uniforms to the contract for one year based on the same terms, conditions and pricing as the original contract at an estimated amount of \$50,000-\$60,000.

## CITY OF NOVI UNIFORMS – POLICE & FIRE

### SPECIFICATIONS

#### **SCOPE OF WORK**

The City of Novi is seeking sealed proposals to provide Police and Fire Department uniforms.

#### **TYPE OF CONTRACT**

The contract period will be for one (1) year. Upon mutual consent of the City of Novi and the successful bidder, the contract may be renewed two (2) times in one (1) year increments at the same terms and conditions of the original contract.

#### **ESTIMATED QUANTITIES**

Police Department currently has 50 staff members who are supplied with uniforms. Fire Department has 104 staff members who are supplied with uniforms. These numbers may change during contract period.

New recruits are issued a set of uniform items and accessories according to their union contract. In the spring and fall of each year, each department places an order for uniform items needing replacements due to wear, damage, or fit problems. There may be additional smaller orders throughout the year.

#### **MEASURING**

Measuring for all uniforms will be provided on-site at the Novi Police Department (45125 W. Ten Mile Road, Novi MI 48375) and the Novi Fire Department Station #1 (42975 Grand River Ave., Novi MI). Vendor may be required to bring samples for sizing to the measurement appointment. These appointments will be arranged by the departments.

#### **TAILORING**

Tailoring will be provided to ensure that the garments fit each employee properly. All additional alteration and fitting costs will be born by the bidder. Bidder will make very effort to satisfy the reasonable desires of each employee. Should a disagreement arise between the bidder and an employee, the bidder agrees to settle the dispute in a manner which satisfies the City of Novi designated employees. Successful bidder will be responsible for pick-up and delivery of the items from the department if the problem is deemed to be the quality of tailoring.

#### **DELIVERY**

Uniforms will be delivered to the appropriate Department. Each item will be packaged and clearly marked with the employee to whom it belongs.

Delivery of uniform items is expected within 14 working days. The successful bidder must immediately notify the appropriate department if extraordinary circumstances cause extended delivery time. Failure by the supplier to deliver within the stated time may result in termination of the contract.

**FREIGHT/ DELIVERY CHARGES**

All delivery and/or freight charges are to be included in the unit pricing of the bid items. All bid pricing is to be quoted as F.O. B. delivered.

**INSURANCE**

A certificate of insurance naming the City of Novi as an additional insured must be provided by the successful bidder prior to commencement of work. A current certificate of insurance meeting the requirements in Attachment A is to be provided to the City and remain in force during the entire contract period.

**TAX EXEMPTION**

It is understood that the City of Novi is a governmental unit, and as such, is exempt from the payment of all Michigan State Sales and Federal Excise taxes. Do not include such taxes in the bid prices. The City will furnish the successful bidder with tax exemption certificates when requested. The City's tax-exempt number is 38-6032551.

**PAYMENTS / TERMS**

Invoices will be submitted to the Finance Department after uniforms have been delivered. The invoice will be processed and every effort will be made to make payment within 30 days. Problems with an order or an incorrect invoice may cause a delayed payment. If contractor requires pre-payment or deposit, this must be clearly specified on proposal form and will be taken into consideration when evaluating the bids.

**REFERENCES**

Please include a list of references from 3 municipalities (not including the City of Novi) for which you have provided this service within the last 3 years. Include entity name, address, contact person and contact phone number.
