# CITY of NOVI CITY COUNCIL

## Agenda Item E October 17, 2011

**SUBJECT:** Approval of a Resolution Concerning Acquisition and Approving Declaration of Necessity and Taking and authorization of Offer to Purchase in the amount of \$2,105 for a permanent easement and temporary grading permit on the Comau Pico, Inc. property (parcel 50-22-23-376-008) for the purpose of constructing a pedestrian safety path on the north side of Ten Mile Road between Catherine Industrial Road and the CSX Railroad.

**SUBMITTING DEPARTMENT:** Department of Public Services, Engineering Division *BTC*

**CITY MANAGER APPROVAL:** *[Handwritten signatures]*

<b>EXPENDITURE REQUIRED</b>	<b>\$2,105</b>
<b>AMOUNT BUDGETED</b>	<b>\$8,300</b>
<b>APPROPRIATION REQUIRED</b>	<b>\$2,105 (to be included in 2<sup>nd</sup> quarter budget amendment)</b>
<b>LINE ITEM NUMBER</b>	<b>204-204.00-974.417</b>

### BACKGROUND INFORMATION:

This project will include a five foot wide pathway segment along the north side of Ten Mile between Catherine Industrial Road and the CSX Railroad and includes the crossing of the railroad tracks. The design of the project is nearing completion and five permanent pathway easements and four temporary grading permits are required to facilitate construction. One of the permanent easements was donated by Joe Trudeau and accepted by City Council.

For the past several months, staff has worked to contact the property owners to secure an easement. Part of this process involved requesting not only the easement for the sidewalk construction, but a permanent highway easement for the master planned right-of-way. The property owner was contacted to request a donation of a highway easement, which would allow for the construction of the pathway as well as future right-of-way maintenance and construction activities.

Comau has not responded to correspondence from staff, therefore it would be prudent to begin the required proceedings to acquire the easements through eminent domain. This will result in the acquisition of a 7-foot wide pathway easement, rather than the original 27-foot wide highway easement hoped for (the eminent domain process requires proof of necessity of the easement, and only the smaller pathway easement can be proven necessary for this specific project). Based on the assessed value of the land, the property owner is entitled to compensation for the permanent easement and temporary grading permit in the amount of \$2,105 (\$1,560 for the pathway easment and \$545 for the grading permit).

The attached resolution is being requested at this time to allow the city to begin proceedings to acquire the easements through eminent domain. Staff will continue to

pursue donation of the easement, and in the event that the property owner decides to donate the easement, this resolution will not be needed.

**RECOMMENDED ACTION:** Approval of a Resolution Concerning Acquisition and Approving Declaration of Necessity and Taking and authorization of Offer to Purchase in the amount of \$2,105 for a permanent easement and temporary grading permit on the Comau Pico, Inc. property (parcel 50-22-23-376-008) for the purpose of constructing a pedestrian safety path on the north side of Ten Mile Road between Catherine Industrial Road and the CSX Railroad.
