BACKGROUND INFORMATION: *[Signature]*

The 2012 Pathway Gap Program was funded for design in fiscal year 11-12 and is funded for construction in fiscal year 12-13. The project would include the construction of 8-foot wide pathways to fill the gaps along the west side of Taft Road between Eleven Mile Road and Grand River Avenue, and along the west side of Meadowbrook Road between Cherry Hill and Grand River Avenue.

As part of the design phase, Engineering staff have been working with the property owners within the project limits since September 2011 to acquire the necessary easements to permit the construction of the pathways.

The Basilian Fathers of Milford have offered to donate a 10-foot wide sidewalk easement along the frontage of its vacant parcel on Taft Road.

There are four easements required for the project, of which three are on this agenda for consideration. It is anticipated that the project will be constructed in 2012 following the acquisition of the final easement, which will be considered on a future City Council agenda.

RECOMMENDED ACTION: Acceptance of a sidewalk easement from Basilian Fathers of Milford for the property located on Taft Road north of Eleven Mile Road in conjunction with the 2012 Pathways project as a donation from the property owner (parcel 22-16-451-034).
