MAYOR AND COUNCIL ISSUES

Member Fischer thanked everyone for the plaque and said he will display it in his office in Dubai. He said it is fun to look back and reflect on journeys in life and wouldn’t have thought thirteen ago years ago, during a cup of coffee with former State Representative Nancy Cassis, that would have led to several political internships. He took the opportunity to thank his colleagues for their leadership and dedication to a great City. He thanked his mom and his brother for always being available to assist him, the City of Novi staff, Novi residents, family and friends, and his wife Melissa for sharing him with the community for Council meetings, grand openings, etc. He knows Novi is in great hands. He will follow Novi’s continued success. Mayor Pro Tem Staudt said it was a pleasure serving with him and hopefully when he returns he will run again for Council.
