PZ19-0026 (National Car Wash Solutions) Ten Mile Rd, West of Meadowbrook Road and North of Ten Mile Road, Parcel # 50-22-23-426-017. The applicant is requesting a variance from the City of Novi Zoning Code Section 5.3.11.D to allow for the applicant to have no bypass lane; 1 bypass lane, minimum of 18 feet, is required by code. Section 5.3.11.F to allow a proposed drive-through lane with a centerline radius of 23 feet, a minimum of 25 feet is required by code. This property is zoned General Business (B-3).

The motion to approve case PZ19-0026 requesting variances for no bypass lane and a proposed drive-through lane with a centerline radius of 23 feet was approved. The property is unique because it is a narrow space located between an existent shopping plaza parking areas. The petitioner did not create the condition because the lot has been a long established property, unused for almost 30 years. The relief granted will not unreasonably interfere with adjacent or surrounding properties because it will be an increased value for the shopping area. The relief is consistent with the spirit and intent of the ordinance because it will support the safety of young children and is a minimum request.
