Public Hearings

1. **Lyons (PZ16-0012) 41150 S. McMahon Cir., south of Ten Mile Road and east of Meadowbrook Road, Parcel # 50-25-104-010.** The applicant is requesting variances from the City of Novi Zoning Ordinance Section 3.1.5 to allow construction of an attached garage with reduced side yard setbacks (10 feet required, 8 feet proposed) and reduced aggregate side setback (25 feet required, 15 feet proposed) for an existing nonconforming residence zoned R-4.

In case Number PZ16-0012, the motion to approve because the petitioner has shown practical difficulty that requires an attached garage. Without the variance the petitioner will be unreasonably prevented or limited with the respect to use of the property because of the narrow and nonconforming lot. The petitioner did not create the condition because of the smaller lot size. The relief will not unreasonably interfere
with adjacent or surrounding properties because other homes in the area have similar garages.

The petitioner did not create the condition because of the natural water that lays to the south. The relief granted will not unreasonably interfere with adjacent or surrounding properties because the petitioner will provide aesthetic appeal with a surrounding dumpster enclosure.

building height and oversize vertical projections of 2 feet into each side setback (15.2 and 14.2 inches allowed). The property is zoned R-4.
