## Artistic Director

### Novi Choralaires Community Choir

Do you love to create music programs with a variety of music genres and broad audience appeal? Do you enjoy directing? Do you feel great job satisfaction from sharing your musical talents and helping singers develop their skills? Would you enjoy working with adults who have built an inclusive community based on a shared love of singing? If yes, then the Novi Choralaires want to meet you.

This Fall, the Novi Choralaires will celebrate its 45th year anniversary of making music in Novi! Choralaires put the "community" into Community Choir. We are multi-generational, with members in their 20's to 70's. We typically have 38-45 singers each season. In addition to our three ticketed concerts we also perform 5-6 free events for the community each year. We have an extremely talented accompanist and an extensive music library. The choir is primarily self-funded through dues and donations, and we operate under the oversight of the City of Novi. See more about us at [www.novichoralaires.org](http://www.novichoralaires.org) or on Facebook at [www.facebook.com/novichoralaires](https://www.facebook.com/novichoralaires).

#### Job Description

The Director is the creative leader for the choir. He/She develops the theme and selects the music for two concert seasons each year (Season 1 – Labor Day to mid-December. Season 2 January – Memorial Day). The Director provides a rehearsal plan each week and leads rehearsal on Tuesday evenings (7:30-9:30pm). He/She educates and develops the skills of members through vocal drills, different music styles, and solo/ensemble opportunities. The Director works with the Choir Board on event planning, budgeting, communications, and improvement for the organization. He/She will engage additional musicians as needed for concerts, as well as work with City employees (e.g. sound technicians) to ensure quality concert performance.

Salary will be commensurate with experience, subject to budget limitations and approval by the City of Novi.

### Qualifications
