The City of Novi accepts no responsibility for the accuracy of the list. The list does not constitute a recommendation for anyone on this list. The list is compiled from the Michigan Plumbing and Mechanical Contractors Association in addition to contractors who have previously worked within the City of Novi. All contractors on the list are licensed Plumbers as required by the City of Novi Water & Sewer Division Cross Connection Control Program. The list is only compiled as a convenience to the residents of the City of Novi. Pricing may vary between contractors and all costs are the responsibility of the home owner. All testers are required to be Michigan Licensed Plumbers. Plumbing permits are required for all repairs and installations.
