Public Hearings:

1. PZ19-0022 (Siddiqui Properties LLC) 27250 Wixom Rd B, West of Wixom Road and South of Grand River Avenue, Parcel # 50-22-17-101-024 The applicant is requesting variances from the City of Novi Code of Ordinances Section 18-5(a) for the proposed installation of three wall signs for two tenants. 30-65 square foot maximum based on frontage, one sign per business allowed. Signs should be of common design per code. This property is zoned General Business (B-3).

   CASE PZ19-0022 was cancelled, it was determined that their work would not require a variance prior to the meeting date.

2. PZ19-0023 (Bagley & Langan PLLC) Endwell St, West of Novi Road and North of Thirteen Mile Road, Parcel # 50-22-02-359-035. The applicant is requesting a variance from the City of Novi Zoning Ordinance Section 5.11(1) A (ii) for a proposed 25 foot front yard setback for each front yard to allow for a new fence installation. By code fences shall not extend toward the front of the lot nearer than the minimum front yard setback, unless an existing house is already extending into the front yard. This property is zoned Single Family Residential (R-4).

   The motion to approve case PZ19-0023 requesting variance for a proposed 25 foot front yard setback for each front yard to allow for a new fence installation was approved. The petitioner has shown practical difficulty
preventing the misuse of their unsecured property. The property is unique because it is a corner lot near the lake. The petitioner did not create the condition because they cannot control misuse of the property by those other than themselves or their tenants. The relief granted will not unreasonably interfere with adjacent or surrounding properties because will deflect trespassing and prevent the illegal parking and dumping that has been occurring. The relief is consistent with the spirit and intent of the ordinance because all other fence ordinance guidelines will be followed.

3. **PZ19-0025 (GreenTech Engineering) 25650 Taft Rd, East of Wixom Road and South of Eleven Mile Road, Parcel #50-22-22-100-026.** The applicant is requesting a variance from the City of Novi Zoning Ordinance Section 5.12 for not having frontage on a public street for the entire width of the lot (80 feet frontage required, 44 feet proposed). This variance is required for creation of two parcels (C & D) and associated extension of Danyas Way that ends in a T-turn around. The variance would prevent impacts to the existing Wetlands. This property is zoned Single Family Residential (R-4).

    The motion to approve case PZ19-0025 requesting variance for not having frontage on a public street for the entire width of the lot (80 feet frontage required, 44 feet proposed) was approved. The petitioner has shown practical difficulty creating a T-turn around for public safety. The property is unique because of the topography of the parcels and the existing wetland. The petitioner did not create the condition because the existing wetlands and established roadway were present before their project. The relief granted will not unreasonably interfere with adjacent or surrounding properties because the T-turn around is supported by the master plan, would create the least impact on the surrounding area, and would provide greater fire access and public safety.
