APPROVAL OF AGENDA
Motion to approve the June 12, 2019 Planning Commission Agenda. Motion carried 5-0.

PUBLIC HEARINGS

1. MRL GROUP DAY CARE, JSP18-63
   Public hearing of the request of MRL Child Care LLC, for Special Land Use Approval. The subject property is located at 44879 Stockton Drive in Section 10, north of Twelve Mile Road, west of Dixon Road in RA residential Acreage zoning district. The applicant is proposing to operate a group day care in their existing residence for no more than 12 children.

   In the matter of MRL Group Daycare JSP18-63, motion to deny the Special Land Use permit for the following reasons:
   1. The parcel does not meet the qualifying criteria (Use Standards) for a Group Daycare use as listed in Section 4.12.1., all of which would require a use variance by the Zoning Board of Appeals as follows:
      a. The parcel does not provide the minimum required outdoor recreation area. A minimum of 2,000 square feet is required, the applicant proposes approximately 1,303 square feet.
      b. Outdoor recreation area does not meet the minimum requirements for screening. Outdoor recreation area is screened with evergreen trees for only part of the recreation area.
      c. The parcel does not meet the minimum requirements for parcel size. A minimum of one-half (0.5) acre is required; the current parcel measures 0.21 acres.
d. The applicant is already making significant use of the parcel, which has a single-family home with a day care located on it, which is relevant for purposes of determining if it qualifies for a use variance.

In addition, because the use is not permitted on the property, and would require a use variance in order to be allowed, the parcel does not meet the criteria for a special land use approval. More specifically:

i. The proposed use is not compatible with adjacent uses of land (because the use is not permitted by the ordinance due to the small size of the parcel and the lack of recreation area);

ii. The proposed use not consistent with the goals, objectives and recommendations of the City's Master Plan for Land Use (given the need for use variance approval);

iii. The proposed use, while listed among the uses requiring special land use approval in the district, is by definition not in harmony with the purposes of the ordinance and does not conform to the applicable site design regulations of the district as noted above.

Motion carried 5-0.

2. ZONING ORDINANCE TEXT AMENDMENT 18.287

Public hearing for Text Amendment 18.287 to consider amending the City of Novi Zoning Ordinance at Section 3.31, Planned Development Options, in order to reduce redundancies, clarify ordinance language, and other items deemed necessary.

Motion to forward a favorable recommendation to the City Council for reading and possible adoption of the ordinance as drafted. Motion carried 4-1 (Hornung).
