

TAX BILL SEEM DIFFERENT?

In November, Oakland County voters approved a 10-year, .95 mill Oakland County transportation millage to maintain and expand public transit services. As a result, tax payers will see the additional tax on their winter bill. Just like other millages (Education, Cultural arts, Zoo, etc.) the City of Novi simply serves as the fiduciary and collects the taxes for each entity.

Questions?

Questions can be directed to our Oakland County Commissioners:
