

**CITY OF NOVI CITY COUNCIL
NOVEMBER 27, 2023**

SUBJECT: Consideration to approve the Program Year 2024 Community Development Block Grant (CDBG) Application in the approximate amount of \$125,246 and authorize the Mayor to sign the Application.

SUBMITTING DEPARTMENT: Finance

BACKGROUND INFORMATION:

The proposed program year (PY) 2024 CDBG allocation for the City of Novi is estimated to total \$125,246.

Housing and Community Development Committee Recommendation: Funding requests were reviewed individually by the Beautification Commission at their meeting of November 8, 2023. This year the funding for public services decreased from 30% (or \$37,574) of total allocation down to only 15% (or \$18,789) of total allocation. The Commission felt NYA had less outside support, therefore their full request of \$8,000 should be honored and the remaining public service balance should be split between HAVEN and Hospitality House. After very thoughtful deliberation, the Commission is recommending the following program allocations for 2024:

Recommended Projects					
CDBG Program Descriptions	Organization Requesting Funding	Description	2023 Application Amount	2024 Agency Requests	2024 Beautification Commission Recommendation
Public Services	HAVEN	Domestic violence	\$15,000	\$15,000	\$5,393
Public Services	Novi Youth Assistance	Specialized counseling and camp and fieldtrip scholarships	\$9,950	\$8,000	\$8,000
Public Services	Hospitality House	Emergency Services	\$9,950	\$9,950	\$5,393

		Sub-Total*	\$34,900	\$32,950	\$18,786
Minor Home Repair	City of Novi	Residential Repair program for Novi Residents	\$91,032	\$92,296	\$106,460
		Total	\$125,932	\$125,246	\$125,246

***The maximum 15% allocation allowed within the Public Service category for 2024 is \$18,786. This is a reduction from 30% or \$37,780 in the prior year.**

The deadline to submit the 2024 CDBG application to Oakland County is December 1, 2023.

RECOMMENDED ACTION: Approve the Program Year 2024 Community Development Block Grant Application in the approximate amount of \$125,246 and authorize the Mayor to sign the Application.

Code of Federal Regulations Title 24, Volume 3 Revised as of April 1, 2004 CITE: 24CFR570.611

TITLE 24--HOUSING AND URBAN DEVELOPMENT CHAPTER V--OFFICE OF ASSISTANT SECRETARY
FOR COMMUNITY PLANNING AND DEVELOPMENT, DEPARTMENT OF HUD

Part 570 Community Development Block Grants

Subpart K Other Program Requirements

Sec. 570.611 Conflict of interest

(a) Applicability. (1) In the procurement of supplies, equipment, construction, and services by recipients and by subrecipients, the conflict of interest provisions in 24 CFR 85.36 and 24 CFR 84.42, respectively, shall apply. (2) In all cases not governed by 24 CFR 85.36 and 84.42, the provisions of this section shall apply. Such cases include the acquisition and disposition of real property and the provision of assistance by the recipient or by its subrecipients to individuals, businesses, and other private entities under eligible activities that authorize such assistance (e.g., rehabilitation, preservation, and other improvements of private properties or facilities pursuant to Sec. 570.202; or grants, loans, and other assistance to businesses, individuals, and other private entities pursuant to Sec. 570.203, 570.204, 570.455, or 570.703(i)).

(b) Conflicts prohibited. The general rule is that no persons described in paragraph (c) of this section who exercise or have exercised any functions or responsibilities with respect to CDBG activities assisted under this part, or who are in a position to participate in a decision making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from a CDBG-assisted activity, or have a financial interest in any contract, subcontract, or agreement with respect to a CDBG-assisted activity, or with respect to the proceeds of the CDBG-assisted activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for one year thereafter.

(c) Persons covered. The conflict of interest provisions of paragraph (b) of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the recipient, or of any designated public agencies, or of subrecipients that are receiving funds under this part.

(d) Exceptions. Upon the written request of the recipient, HUD may grant an exception to the provisions of paragraph (b) of this section on a case-by-case basis when it has satisfactorily met the threshold requirements of (d)(1) of this section, taking into account the cumulative effects of paragraph (d)(2) of this section.

(1) Threshold requirements. HUD will consider an exception only after the recipient has provided the following documentation: (i) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and (ii) An opinion of the recipient's attorney that the interest for which the exception is sought would not violate State or local law.

(2) Factors to be considered for exceptions. In determining whether to grant a requested exception after the recipient has satisfactorily met the requirements of paragraph (d)(1) of this section, HUD shall conclude that such an exception will serve to further the purposes of the Act and the effective and efficient administration of the recipient's program or project, taking into account the cumulative effect of the following factors, as applicable: (i) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available; (ii) Whether an opportunity was provided for open competitive bidding or negotiation; (iii) Whether the person affected is a member of a group or class of low-income persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class; (iv) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decision making process with respect to the specific assisted activity in question; (v) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (b) of this section; (vi) Whether undue hardship will result either to the recipient or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and (vii) Any other relevant considerations. By applying for CDBG funds, the Participating Community certifies that they have read the above:

B - PROJECT DESCRIPTION

Provide a detailed description of the proposed activity including how the activity will address the needs of the community:

Minor home repairs and mobile home repairs for the homes of income qualified households. Repairs will conform to the Oakland County guidelines and State of Michigan lead based paint requirements.

Identify who will benefit from the proposed activity (ex: homeless, abused children, seniors, etc). If your program was designed to benefit persons on L/M income, describe the process you will use to identify these persons (process for income verification if persons are not members of HUD's presumed L/M clientele):

Person's with low to moderate income will benefit from the program. The City will bid for a contractor to administer and provide services for its Minor Home/Mobile Home Repair Program. The contractor is responsible for verification of income levels by obtaining the proper support (i.e. proof of income for a three month period from all living in the household, all income is added up to get an annual amount and then compared to the HUD income guideline to determine eligibility).

B - PROJECT DESCRIPTION

Provide a detailed description of the proposed activity including how the activity will address the needs of the community:

Provide specialized counseling and camp and field trip scholarships to children 13 -19 years of age from income qualified households.

Identify who will benefit from the proposed activity (ex: homeless, abused children, seniors, etc). If your program was designed to benefit persons on L/M income, describe the process you will use to identify these persons (process for income verification if persons are not members of HUD's presumed L/M clientele):

Low to moderate income households. NYA collects the family's 1040 tax forms from the most recent year. If a 1040 is not available, W2/1099's from the most recent year is obtained. The NYA application also asks the total gross household income and the applicant signs an affidavit at the end of the application.
