

CITY of NOVI CITY COUNCIL

Agenda Item 3
November 23, 2015

SUBJECT: Approval to award a construction contract for the 14 Mile Road Water Main and Pathway (Haverhill to Maples) project to Springline Excavating, the low bidder, in the amount of \$282,543, subject to final review and approval of form of agreement by City Manager's office and the City Attorney.

SUBMITTING DEPARTMENT: Department of Public Services, Engineering Division *BTC RJA*
Department of Public Services, Water & Sewer Division *BLC*

CITY MANAGER APPROVAL: *[Signature]*

EXPENDITURE REQUIRED	\$ 113,048 (Water Main) <u>\$ 169,495 (Pathway)</u> \$ 282,543 TOTAL
AMOUNT BUDGETED	\$ 132,185 (Water Main) <u>\$ 282,204 (Pathway)</u> \$ 414,389 TOTAL
LINE ITEM NUMBER	592-592.00-976.023 (Water Main) 204-204.00-974.453 (Pathway)

BACKGROUND INFORMATION:

This project includes the construction of a water main and pathway along the south side of 14 Mile Road between Haverhill Farms subdivision and the Maples of Novi development. The water main completes an additional loop in the water supply network to improve reliability and pressures in this area of the City. The pathway construction closes a gap in the pathway network and will allow residents of Haverhill Farms to walk or bike to adjacent areas more safely.

A total of 13 bids were received and opened on November 12, 2015 following a public bid solicitation period. The lowest bidder is Springline Excavating, LLC. Springline's bid is recommended as being in the best interest of the City as it is responsive (i.e., Springline has complied with all requirements of the bidding instructions) and it is the lowest price. (SDA's award recommendation letter including the bid tabulation dated November 13 is attached). A summary of the 13 bids is as follows:

Contractor	Total Bid Price (including Crew Days)*
Springline Excavating	\$298,543.00
Lawrence M. Clarke	\$312,417.00
Fonson Company, Inc.	\$313,665.65
Pamar Enterprises	\$322,795.00
Bricco Excavating	\$325,565.00
Macomb Pipeline	\$340,335.00
CI Contracting	\$343,867.00
Evergreen Civil	\$376,133.30
Verdeterre	\$399,385.00
C&D Hughes	\$399,557.50
Lake Michigan Site Dev	\$423,421.00
Merlo Construction	\$435,045.00
Warren Contractors & Dev	\$548,752.00

*Crew Days are included to compare bids, but are not included in the award.

Based on the number of bidders, there was a favorable and very competitive bidding environment for this project. Staff also worked with the adjacent property owners to acquire temporary construction easements to regrade areas in an effort to significantly decrease the amount of retaining wall that is necessary. These two factors together resulted in a low bid that is substantially lower than the original estimate.

Construction of the project will commence this fall with construction of the water main. Once the water main construction is complete this spring, the construction of the pathway will begin. Overall completion is anticipated in summer of 2016.

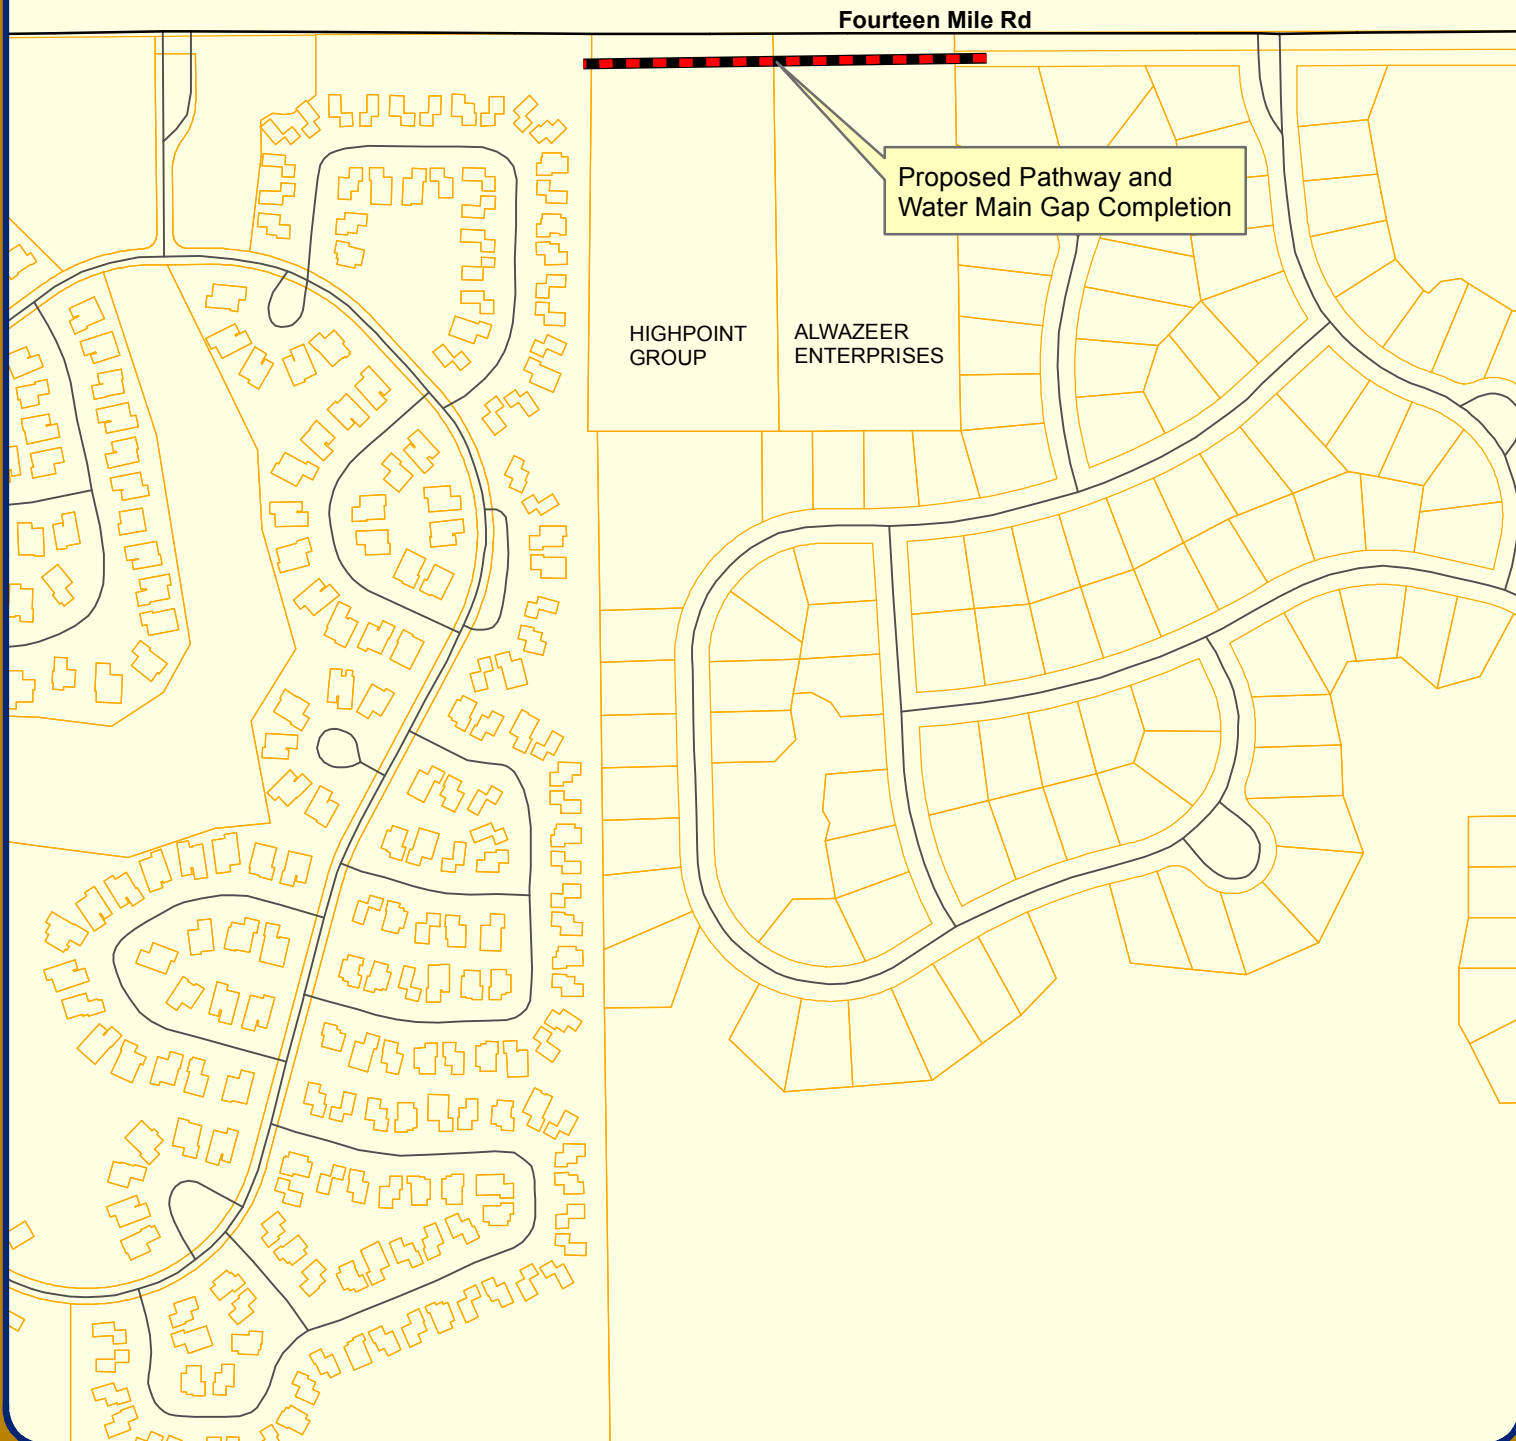

RECOMMENDED ACTION: Approval to award a construction contract for the 14 Mile Road Water Main and Pathway (Haverhill to Maples) project to Springline Excavating, the low bidder, in the amount of \$282,543, subject to final review and approval of form of agreement by City Manager’s office and the City Attorney.

Re: **Recommendation for Award**
14 Mile Road Pathway and Water Main
SDA Project No.: NV15-003

Dear Mr. Croy:

On November 12, 2015 at 2:00 p.m., construction bids were opened and publicly read at the City of Novi Civic Center for the 14 Mile Road Pathway and Water Main project. The project includes placement of 12 inch water main and an 6' wide concrete walk along the south side of 14 Mile Road west of the Haverhill Subdivision.

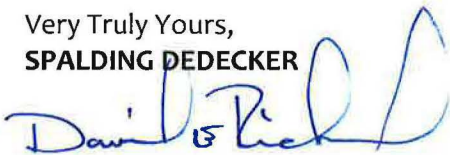

The City Clerk's office received thirteen (13) sealed bids for this project, with each bidder considered to be responsive having submitted a bid compliant with all requirements. The apparent low bidder, Springline Excavating, submitted a total bid of \$298,543.00. Following the bid opening, Spalding DeDecker reviewed all of the bids received, verified the calculations, and prepared the bid tabulation for the project (attached).

Based on a review of experience and references provided, Spalding DeDecker finds that Springline Excavating is qualified to perform the required construction.

It is our recommendation that the project be awarded to the low bidder, Springline Excavating, for the 14 Mile Road Pathway and Water Main project in the amount of \$282,543.00, which is the total bid of \$298,543.00 minus \$16,000.00 for crew days bid.

Upon award by the City Council, our office will coordinate the completion of the Contract Agreement, Bonds, and Insurance information with Springline Excavating.

Very Truly Yours,
SPALDING DEDECKER

David E. Richmond, PE
Project Manager

--	--------------------------------

If the foregoing Bid shall be accepted by the OWNER, the undersigned agrees to enter into the attached form of Agreement within ten (10) days after receiving notice of such acceptance, will furnish the OWNER satisfactory bonds and certificates of insurance coverage, and will complete the Project, at the price and within the time stated in this Bid.

The undersigned further agrees that if the foregoing Bid shall be accepted, work will commence immediately after the Contract has been awarded, the Agreement executed, and a Notice to Proceed received. **The undersigned shall complete the Work to Substantial Completion by June 15, 2016, and to Final Completion, including restoration and all punch list items, by June 30, 2016.**

The undersigned attaches hereto its Bid security, as required by the Advertisement for Bids and Instructions to Bidders. The undersigned agrees that in case it shall fail to fulfill its obligations under the foregoing Bid, and/or shall fail to furnish bonds, as specified, the OWNER may, at its option determine that the undersigned has abandoned its rights and interests in such Contract and that its Bid security accompanying its Bid; has been forfeited to the said OWNER, but otherwise the Bid security shall be returned to the undersigned upon the execution of the Contract and the acceptance of the bonds.

The undersigned also agrees that for each and every calendar day that he may be in default of Substantial Completion of the Work, within the time specified in this Bid, the OWNER will suffer a damage of six hundred dollars (\$600.00) per day, and said OWNER shall be compensated therefore at the rate as liquidated damages in accordance with the Agreement.

In submitting this Bid, it is understood that the right is reserved by the OWNER to accept any bid, to reject any or all Bids, and to waive irregularities in bidding in the interest of the OWNER.
