

CITY of NOVI CITY COUNCIL

Agenda Item I
February 25, 2019

SUBJECT: Approval of Traffic Control Orders 19-01 through 19-03 for Speed Limit signs along Cabot Drive from 12 Mile Road to MacKenzie Drive and on MacKenzie Drive from Cabot Drive to Haggerty Road.

SUBMITTING DEPARTMENT: Department of Public Works, Engineering Division

CITY MANAGER APPROVAL: 

BACKGROUND INFORMATION:

Cabot Drive and MacKenzie Drive are three-lane roadways that serve local businesses. Currently, there are no existing Traffic Control Orders along these roadway limits. Engineering is proposing to adopt a 30 MPH speed limit on Cabot Drive from 12 Mile Road for 1000 feet north, then 35 MPH to the termination of the road and 35 MPH for the limits of MacKenzie Drive from Cabot Drive to Haggerty Road. New speed limit signs will be installed along Cabot Drive north of 13 Mile Road and along MacKenzie Drive; signs already exist along Cabot Drive from 12 Mile Road to 13 Mile Road.

Traffic control orders are required under the Uniform Traffic Code to enforce traffic control signs installed on public streets. Staff has prepared the following traffic control order for approval by City Council.

TCO No.	Description
19-01	30 mph speed limit on Cabot Drive from 12 Mile Road to 1000 feet north of 12 Mile Road
19-02	35 mph speed limit on Cabot Drive from 1000 north of 12 Mile Road to MacKenzie Drive
19-03	35 mph speed limit on MacKenzie Drive between Cabot Drive to Haggerty Road

RECOMMENDED ACTION: Approval of Traffic Control Orders 19-01 through 19-03 for Speed Limit signs along Cabot Drive from 12 Mile Road to MacKenzie Drive and on MacKenzie Drive from Cabot Drive to Haggerty Road.
