This fireworks show is proposed to have 4.0" shell as the largest shell to be shot off. This review and approval is based on this information and the submittal by Gen X Pyrotechnics. **At no time shall a shell larger than 4.0" be used in this show.**

It shall be noted that whenever, in the opinion of the Fire Chief or his designee, any hazardous condition exists, the fireworks loading and or firing off the fireworks shall be postponed until the condition is corrected.

Sincerely,
