

CITY of NOVI CITY COUNCIL

Agenda Item G
February 6, 2017

SUBJECT: Approval of the final payment to Highway Maintenance & Construction Company for the 2016 Chip Seal Program in the amount of \$12,128.98, plus interest earned on retainage.

SUBMITTING DEPARTMENT: Department of Public Services, Engineering Division GDM

CITY MANAGER APPROVAL: 

EXPENDITURE REQUIRED	\$ 12,128.98
AMOUNT BUDGETED	\$ 250,000
LINE ITEM NUMBER	203-203.00-870.016

BACKGROUND INFORMATION:

As part of the City's ongoing asset management approach to maintaining roads, a report that evaluated the City's 6.7 miles of streets that have a chip sealed surface treatment was completed in 2013. (Chip sealing is the application of an asphalt emulsion to seal the road's surface, followed by placement and compaction of smaller diameter crushed gravel.) The report identified \$806,200 of capital improvements necessary to improve and maintain the chip seal streets in good condition.

The following street segments were completed with the 2016 Chip Seal Program, which also included drainage improvements and roadway base repairs:

- Penhill St
- West Lake Dr
- Taft Rd
- Pickford St
- Garfield Rd
- Austin Dr
- South Lake Ct
- 11 Mile (east of Seeley)
- Charlotte

The construction contract was awarded for this project at the July 11, 2016 City Council meeting to Highway Maintenance & Construction Company in the amount of \$161,591.85.

Engineering staff worked with the engineering consultant for this project, AECOM-Great Lakes, to review and verify the final contract payment amount of \$12,128.98 that is due the contractor (Final Pay Estimate No. 3, attached). The City Attorney reviewed the documentation and found it to be in an acceptable form (Beth Saarela's January 24, 2017 letter).

There were three (3) approved change orders issued for this project resulting in a net decrease of \$9,907.20 from the construction contract, or 6.1% under the awarded amount. The approved change orders resulted in a final contract price of \$151,684.65.

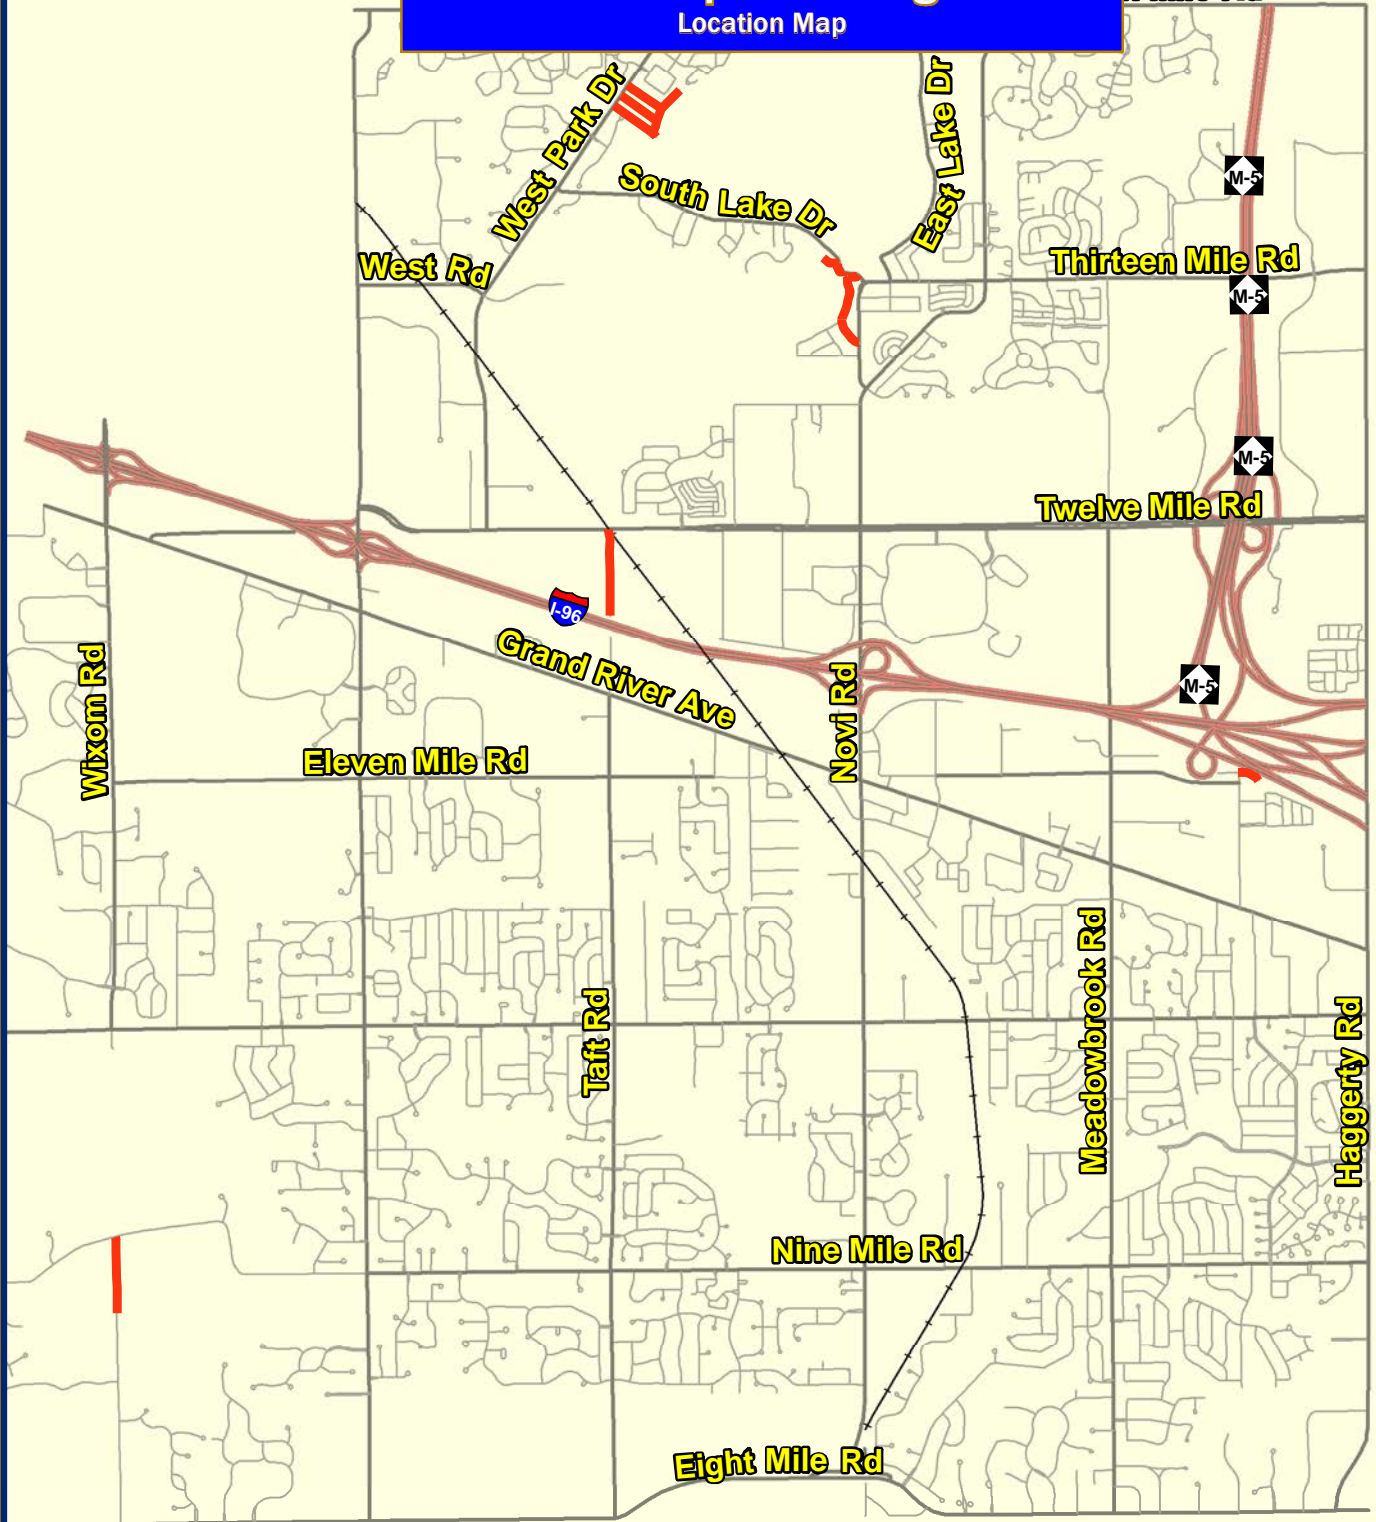

RECOMMENDED ACTION: Approval of the final payment to Highway Maintenance & Construction Company for the 2016 Chip Seal Program in the amount of \$12,128.98, plus interest earned on retainage.

**Re: 2016 Chip Seal Program – Highway Maintenance, Inc.
Closing Documents**

Dear Mr. Staup:

We have received and reviewed closing documents for the 2016 Chip Seal Program:

1. Application for Final Payment
2. Contractor's Sworn Statement
3. Consent of Surety
4. Waivers of Lien

Subject to approval of the Application for Final Payment by appropriate City staff, the closing documents appear to be in order. The Maintenance Bond previously provided is adequate since the project cost decreased. The General Contractor has also provided its final waiver.

Please feel free to contact me with any questions or concerns in regard to this matter.

Very truly yours,

JOHNSON, ROSATI, SCHULTZ & JOPPICH, P.C.

Elizabeth K. Saarela

(Project Name)

having been fully paid and satisfied, by signing this waiver, all my/our construction lien rights against such property are hereby waived and released.

If the improvement is provided to property that is a residential structure and if the owner or lessee of the property or the owner's or lessee's designee has received a Notice of Furnishing from me/one or us or if I/we are not required to provide one, and the owner, lessee, or designee has not received this waiver directly from me/one of us, the owner, lessee, or designee may not rely upon it without contacting me/one of us, either in writing, by telephone, or personally, to verify that it is authentic.
