# Greetings

FROM THE MAYOR

---

**BOB GATT**  
MAYOR

Dear Novi residents,

Looking back on 2022, I am, once again, overcome with a sense of pride in OUR Novi. Not just for all that has been accomplished, but for who we are, how we lead and the community we create together.

As you flip through this year's calendar, I hope you see what I see: one of the best places to live, work and play in the country, a community that is truly above it all... and we aren't the only ones who know how special Novi is.

With one of the lowest tax rates in Oakland County, highly recommended hospitals, and a population boom of nearly 20% over the last decade, Fortune named Novi as one of the Best Places to Live for families – The Sandwich Generation, residents who juggle raising their families while also caring for their parents.

We also enjoy some of the finest schools in the country. Novi Community School District and Northville Public Schools were ranked as the first and third-best school districts in Michigan in 2023 by Niche.

Detroit Catholic Central's state-of-the-art campus is getting a major upgrade as construction is underway of the George and Mary Turek Hall of Science wing, giving students more opportunities to enrich their learning experience while better equipping them to compete in the 21st-century workforce.

And who could forget about our gorgeous parks? Metro Detroit Chevy Dealers named Lakeshore Park a playground worth the trip in 2022 that will keep you coming back again and again.

2022 saw racing return to Novi with the creation of a new R/C Raceway at the Novi Water Tower Park. R/C racers have flocked to the raceway, and it has seen much activity since opening last summer.

Lakeshore and all our parks are second to none and are only getting better. Novi is partnering with the family of Jessica Starr, a local TV weather personality who sadly ended her life due to mental health challenges, to create a splash pad in 2023 for families to make memories and improve their mental health. Make sure to take a trip to one of our more than 1,400 acres of parkland throughout the community.

Novi offers all this and more, but do you know why Novi is truly above it all? It's because of all of you and our sense of community. We embrace diversity and welcome all different cultures to our vibrant community.

We are there for each other. I've heard countless stories of neighbors helping neighbors and businesses leading a helping hand and have witnessed so many acts of genuine kindness. There is truly no place like Novi because of all of you.

I've been a resident of this great city for over 40 years, and each year has brought something special. I can't wait to see how Novi continues to be above it all, grow and innovate in 2023.

On behalf of myself and my colleagues on the City Council, I wish everyone an excellent year.

Sincerely,

A handwritten signature in blue ink that reads "Bob Gatt". The signature is fluid and cursive, with a large initial "B" and a stylized "G".
