REMARKS FROM THE CHAIRPERSON

MATTERS FOR COMMITTEE DISCUSSION

1. Summary Presentation of Internet Connectivity and Broadband Study

City Manager Victor Cardenas presented a summary of the Internet Connectivity and Broadband Study produced by the Foresite Group. In addition, he provided a list of the current Right-of-Way Permits related to fiber installations.

- A possible course of action was suggested that a fiber strategy could be part of the 2050 Strategic Plan for the city.
- Discussions took place about leveraging the city's GIS team to graphically depict the existing fiber footprint by combining the data the committee has received from multiple sources.
- The committee members shared different conceptual ideas for expanding fiber service within our community.
- A suggestion was made to invite a fiber provider to our next committee meeting.
