SUBMITTING DEPARTMENT: Department of Public Services, Engineering Division

CITY MANAGER APPROVAL: *PA*

BACKGROUND INFORMATION:

Recent development along Dixon Road and Twelve ½ Mile Road has created higher traffic volumes on the aforementioned roads. In an effort to improve the safety along the roads, the Engineering Division, in collaboration with the Department of Public Safety, has proposed to rescind the "Speed Limit 30" signs from Dixon Road and 12 ½ Mile Road. The new proposed Speed Limit shall be 25 MPH and will be addressed in a separate motion item. There are also two 'No Turn on Red' signs located at the intersection of Pontiac Trail and West Park Drive that are no longer needed. The final TCO to rescind is a 'No U Turn' sign located on South Lake Drive near Bristol Corners Boulevard.

The City of Novi has prepared the following traffic control orders for approval by City Council.
