SUBMITTING DEPARTMENT: Department of Public Services, Engineering Division *RJA*

CITY MANAGER APPROVAL: *[Signature]*

EXPENDITURE REQUIRED	\$ 46,848 (Fire Station 4) \$ 806,416 (2016 Neighborhood Roads)
AMOUNT BUDGETED	\$ 103,374 (Fire Station 4) \$ 807,000 (2016 Neighborhood Roads)
LINE ITEM NUMBER	101-442.10-981.002 (Fire Station 4) 203-203.00-865.436 (2016 Neighborhood Roads)

BACKGROUND INFORMATION:

Each year, the City of Novi selects residential streets for reconstruction, repaving, repair, and/or rehabilitation based on PASER ratings, staff's field observations and resident concerns. City staff worked with our consultant, URS Corporation (AECOM), to develop a list of streets for the 2016 program. Contract 2 (Concrete) includes rehabilitation and reconstruction of selected segments of Apple Crest Drive, Ridge Road East, Ridge Road West and Upland Drive in the Meadowbrook Glens Subdivision. The Fire Station 4 Parking Lot Rehabilitation was included with this contract to obtain lower unit prices based on economies of scale for an otherwise small project. Improvements to the Fire Station 4 Parking Lot will include joint sealing and intermittent concrete pavement repairs.

A total of 8 bids were received and opened on July 14, 2016 following a public bid solicitation period. The lowest bidder is Fiore Enterprises, LLC. Fiore's bid is recommended as being in the best interest of the City as it is responsive (i.e., Fiore Enterprises, LLC. has complied with all requirements of the bidding instructions) and it is the lowest price. (AECOM's award recommendation letter including the bid tabulation dated July 15, 2016 is attached). A summary of the 8 bids is as follows:

Contractor	Neighborhood Road Contract 2 (including Crew Days)*	Fire Station #4 (including Crew Days)*	Total (Neighborhood Road Contract 2 + Fire Station #4, including crew days)*
Fiore Enterprises	\$ 837,135.95	\$ 51,968.00	\$ 889,103.95
Hartwell Cement	\$ 922,346.38	\$ 52,528.00	\$ 974,874.38
Florence Cement Co.	\$ 922,311.20	\$ 65,771.00	\$ 988,082.20
Toebe Construction	\$ 949,396.10	\$ 63,132.50	\$ 1,012,528.60
GM & Sons	\$ 947,092.00	\$ 59,401.00	\$ 1,006,493.00
JB Contractors	\$ 964,415.40	\$ 51,805.00	\$ 1,016,220.40

Major Cement Co.	\$ 977,290.00	\$ 60,269.00	\$ 1,037,559.00
Mark Anthony Contracting	\$ 1,045,969.72	\$ 56,276.12	\$ 1,102,245.84

*Crew Days are included to compare bids, but are not included in the award.

There is one irregularity in the bid from Fiore, where the bid bond was initially omitted from their bid but submitted the next day. Staff recommends waiving this irregularity based on the contractor's good standing with the City and the City's past experience with the contractor on other road projects.

Construction of the project will begin this summer and be completed this fall. The construction engineering award is proposed for consideration elsewhere on this agenda.

RECOMMENDED ACTION: Approval to award a construction contract for the 2016 Neighborhood Road Program—Contract 2 (Concrete) and Fire Station 4 Parking Lot Rehabilitation to Fiore Enterprises, LLC., the low bidder, in the amount of \$853,264, subject to final review and approval of form of agreement by City Manager's office and the City Attorney.

2016 Neighborhood Road Program – Concrete Contract 2
AECOM Project Number 60486176

Dear Mr. Wayne:

Attached is the Bid Tabulation for the above referenced project. Eight bids were received and opened. This bid is under the latest Engineer's Estimate. The following irregularities were noted in the bids:

There are errors in the low bidder, Fiore Enterprises, LLC bid. Different unit prices were used in the Neighborhood Roads Program portion and the Fire Dept #4 portion for the Pavt Repair, Rem, the Concrete Pavt, Full Depth Slab Repair, and the Sidewalk, Rem bid items. Correcting these errors reduced the total bid by \$8,548.

In addition, the low bidder did not include a bid bond. However, the low bidder has since submitted their bid bond.

Fiore Enterprises, LLC, the low bidder, has successfully completed similar projects in the City of Novi, along with several other municipalities in the area. The bonding company listed in the Statement of Qualifications (RLI Surety, Zervos Group, Inc. is the agent) has an AM Best rating that exceeds the minimum requirements.

We recommend award of the Neighborhood Roads Concrete Contract 2 and Fire Dept #4 contract to Fiore Enterprises, LLC for the Bid Amount, excluding crew day costs, of \$853,263.95.

Please feel free to contact me if you need anything else or wish to discuss the project.

Sincerely,

Sean Kelsch, P.E.
Project Manager
