

Challenge 2025

Day
1

Water-Wise Monday

Fix leaks, turn off the tap while brushing, and take shorter showers to conserve water.

Power Down Tuesday

Unplug devices when not in use and use natural daylight whenever possible.

Day
2

Day
3

Waste Less Wednesday

Start a zero-waste challenge by using reusable bags, bottles, and containers for the day.

Plant-Based Thursday

Eat plant-based for a day or source ingredients from local and sustainable farms.

Day
4

Day
5

Footprint-Free Friday

Walk, bike, carpool, or use People's Express to cut down on emissions.

Seed & Succeed Saturday

Grow a tree, plant flowers, or start a small herb garden to support city biodiversity!

Day
6

Day
7

Sustainable Sunday

Switch to eco-friendly household products, compost food scraps, and recycle properly.
