#### **14. Public Comment**

Jason Michener, 49568 Harrier Place, Novi MI. Jason stated that he is the husband of Tara Michener. Jason is very excited that the Board is voting on the updated policies addressing not allowing the use of hate speech in the library. This is very big for him, his family and for many others in the community whom he has spoken to. He really appreciates the Board taking action, stating it was long coming, but at least finally here. He is very anxious to see how the Board will vote tonight and he is hoping the changes will be approved. He thanked the Board for their time.

A motion was made to approve the 2021-2022 269 Proposed Budget.

1<sup>st</sup>- Geoffrey Wood

2<sup>nd</sup>- Kat Dooley

The motion passed unanimously

**D. Approve to forgo the cost of lease payment to NCSD for the Library café for the remainder of budget year January 1, 2021 – June 30, 2021 due to COVID closure and loss of sales, with reserving the right to re-evaluate if more aid is needed after the new budget year begins July 1, 2021.**

Trustee Michener appreciates the opportunity to think on it and the information included in the packet. She revisited the recent budget meetings and discussions to cut important things. She mentioned that this year hit everyone hard, collectively and does not feel it would be fiscally conservative to approve.

Trustee Dooley mentioned the board approved the budget going forward without taking any big cuts and feels they are gaining more. Additionally, she feels the café is a big asset to the community especially with the partnership with the school. She feels that allowing the café to forgo the remaining \$2,500 is appropriate, to not risk losing the amenities they provide to the community.

Trustee Wood said with the Boards focus on DEI it would be short-sighted not to support this. The café hires the transition students, offering them work opportunities and this is a very important relationship to foster.

Trustee Messerknecht agrees with what Trustee's Dooley and Wood said. The café is an important part of the library and would hate to put it at risk over a relatively minor amount of money and he feels it has a lot of payback beyond just the monetary amount that the library gets from it.

Trustee Yu mentioned he voted no on it last meeting and appreciates the café sales revenue report (included in this Board packet) as it puts in perspective how the café was affected by the closure. He will support this.

Trustee Lawler also supports not charging the café (rent) for this period. He explained it is hard to put a value on goodwill, but he feels besides the revenue the café generated once and will generate again, it also generates a lot of goodwill for the library and the community. He tries to find savings where possible, but finds this one to be a little bit short sided and is in favor of granting the forbearance.

Trustee Michener wanted to ask a question. Trustee Agosta pointed out that she had not had her own turn to speak about the café, yet.

Trustee Agosta commented what the café brings is much more than just a rent payment. Trustee Agosta added that they bring so much more than coffee and food and is in favor of supporting this.

Trustee Michener asked to be respectful to each other. Trustee Agosta said yes, and added that she didn't see Trustee Michener's hand go up and Trustee Agosta apologized if she missed Trustee Michener's hand and Trustee Agosta wanted her time to speak. Trustee Michener said she did not want to take anyone's time to speak and just had a question. Trustee Michener then asked her question to Director Farkas, inquiring if the café asked for the forbearance. Director Farkas said it is something she is offering to the cafe, knowing they are struggling.

A motion was made to approve to forgo the cost of lease payment to NCSD for the Library café for the remainder of budget year January 1, 2021 – June 30, 2021 due to COVID closure and loss of sales, with reserving the right to re-evaluate if more aid is needed after the new budget year begins July 1, 2021.

2<sup>nd</sup>-Craig Messerknecht

The motion passed unanimously

**E. Guest Behavior Policy – 1<sup>st</sup> draft**

Trustee Agosta said she personally likes everything in the policy. Trustee Michener and her agreed on everything, however she feels there is a lot of red ink in the policy. She asked Director Farkas for clarification. Director Farkas said red ink indicates things already in the policy before but are reconfigured and better language was added. The yellow highlights were added from other policies, attorney review and new information. Director Farkas added this is a major policy the staff refers to when it comes to behavior and use of the library. Trustee Agosta is more comfortable with another set of eyes reviewing the policy, prior to approving. Also, she said this document is a first draft and it should be reviewed to make sure nothing was missed or misunderstood.

Trustee Wood's first question was answered, that the legal review was complete. His second question inquired who from the library staff has weighed in on this. Director Farkas said under Policy committee is a list of staff members who have reviewed the policy. Although she has not received an email back from everyone. Trustee Wood is not overly concern with approving tonight after hearing how many have reviewed it and is okay with going along with what the Board decides.

Trustee Michener said there have been a lot of changes (to the policy) but they have been waiting on this policy for a very long time; over a year. Adding there was a lot of work put into the policy and it was not a quick thing. If you refer to the minutes, Trustee Michener said she has referred to the need for a hate clause, a lot. She said when thinking in terms of the DEI committee and not having this passed (the hate clause) tonight would be a disservice to the community. She would even be okay with the Board approving just the hate clause tonight and taking time to review the remainder of the document at a later time. Adding that the Country cannot go another day not having a clause that protects against hate. Also, stating there is a need for things to be in writing when it comes to protection of people.

Director Farkas added a point of clarification, this one policy has not been a year in the making. The whole, entire policy manual has been worked on for a year. The Library has not been sitting on this one policy for one year. Trustee Michener said if she remembered correctly this one has been about 7 months and either way it is still long. She mentioned she has asked about it (hate clause) quite a bit in past minutes. Trustee Agosta intervened and said Trustee Michener thank you but we do not have to argue that point. Trustee Michener said that is not appropriate to Trustee Agosta. Trustee Michener said please don't yell at me and Trustee Agosta said she is not raising her voice and asked Trustee Michener to please stop arguing. Trustee Michener said it is

hostile and disrespectful and she has a right to speak. Trustee Michener wants it added to the minutes that she is complaining of the president being hostile to her and said it has happened more than once tonight. Trustee Michener added she has never had anyone disrespect her like this in a public meeting. Trustee Agosta said she just asked Trustee Michener to please stop arguing with Director Farkas so the Board could move on with the discussion. Trustee Michener said she was not arguing with Director Farkas. Trustee Michener said she is just trying to respond to Trustee Agosta and Trustee Agosta said she is not looking to argue. Trustee Michener said she was timed and told she could not talk. She has never had this happen. Trustee Michener said she was the president before and would have never done this to someone. She said she is a professional and educated woman and reads the OMA a lot and what Trustee Agosta is doing is a violation. She wants president Agosta to know that. Trustee Agosta asked if Trustee Michener has any additional feedback about the document in front of the Board this evening. Trustee Michener said she is glad the meeting is being recorded. She does have feedback she said she was trying to give when she was yelled at. Trustee Michener said a lot of people put a lot of time into this (policy) and she was clarifying it has taken a long time for this and it has not been a quick process and it is important for the Board who is about to vote to know that. Additionally, Trustee Michener wanted the staff to be acknowledged and she does not want hate to go on another day. Hate is a bad thing and she thinks the clause should be approved tonight. She stands by that, hate is bad. Trustee Michener said people should be civil and that it feels bad to be discriminated against.

Trustee Dooley thanked the committee and the staff for all the hard work. She mentioned that a lot of changes have been made throughout the document and in this specific section. She said that someone can tell a lot of thought and care has been put into the document, to protect the staff and also the Library guests. Trustee Dooley asked for confirmation by Director Farkas that the document has already been reviewed by a majority of the staff, by an attorney, and does Director Farkas have any concerns of anything missing so that the Board could move forward with the approval this evening. Director Farkas clarified it has not been reviewed by a majority of the staff, just by the staff members on the policy committee and it has been reviewed by the attorney. Director Farkas added that this is a policy that continually moves and breathes. Regardless, Director Farkas would clean up the document after approval, intent would not change just grammatical changes. Director Farkas would bring back a second draft in February. Trustee Dooley said then we are making a motion to approve the first draft tonight. Director Farkas said she does not need any approval tonight as she will bring back as a second draft due to all the changes, to clean it up.

Trustee Messerknecht said as we have seen in the past a document is presented with a lot of changes/revisions, it is going to be reviewed again, potentially more minor changes could come from that. He is in favor of waiting to approve it once the 2<sup>nd</sup> draft is presented.

Trustee Agosta made a motion to postpone the vote for the 1<sup>st</sup> draft of the Guest Behavior Policy, until the Board gets 2<sup>nd</sup> draft and final copy at the February meeting.

1<sup>st</sup>- Melissa Agosta

2<sup>nd</sup>-Craig Messerknecht

The motion received 3 yes votes and 1 abstain. Motion did not pass

Trustee Agosta then requested a member make a motion to approve the 1<sup>st</sup> draft of the Guest Behavior Policy. Trustee Dooley prefers the Board be very specific with the language when requesting the motion. Trustee Michener made a motion to approve this policy to go forward, as is.

1<sup>st</sup>-Trustee Michener

2<sup>nd</sup>-Trustee Dooley

The motion received 3 yes votes. Motion did not pass

A final draft and second copy of the Guest Behavior Policy will be presented at the February Board Meeting.

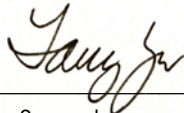

**16. Adjourn**

A motion was made to adjourn at 8:57 p.m.

1<sup>st</sup>— Tara Michener
