LINE ITEM NUMBER	204-204.00-974.465 2015 Sidewalk 204-204.00-805.003 ADA Compliance

BACKGROUND INFORMATION:

The 2015 Pathway Gap Program includes the construction of pathways in three locations:

- Segment 89—Construction of 500 feet of 5-foot wide concrete pathway along the east side of Novi Road between Ten Mile and Nick Lidstrom Drive to complete the sidewalk connection along Novi Road from Nine Mile to Ten Mile.
- Segment 76—Construction of 450 feet of 6-foot wide concrete pathway along the north side of Grand River to connect the existing pathway east of Seeley Road to the crosswalk west of Seeley Road on Grand River constructed with the Grand River Avenue rehabilitation project in 2013.
- Segment 145—Construction of 475 feet of 5-foot wide concrete pathway along the north side of Ten Mile road west of the CSX railroad to complete a connection that was intended to be completed in 2012, but was delayed due to complications with the property owner during the easement acquisition process. The new property owner has been cooperative thus far.

A location map has been included for reference.

This project also includes the fourth year of the Americans with Disabilities Act (ADA) Compliance Implementation as recommended by the ADA Compliance Transition Plan adopted in March 2011 and funded in the 2014-15 fiscal year CIP. The ADA Compliance Transition Plan provides a long-term plan for bringing the City's public sidewalks and other related facilities into compliance with ADA requirements. This annual program is intended to address high priority areas (e.g., high pedestrian usage and areas where pathway barriers exist).

Four bids were received and opened on June 25, 2015 following a public bid solicitation period. The lowest responsible bidder is Audia Concrete. Audia's bid is recommended as being in the best interest of the City as it is responsive (i.e., Audia has complied with all requirements of the bidding instructions) and it is the lowest price. Audia successfully completed the 2014 and 2009 sidewalk programs for the City of Novi.

(URS's award recommendation letter including the bid tabulation dated June 26, 2015 is attached). A summary of the four bids is as follows:

Contractor	Bid Price (including Crew Days)*
Audia Concrete	\$239,777.00
Lacaria Concrete	\$247,079.00
Merlo Construction	\$243,759.25
WCI Contractors	\$368,435.60

* Crew Days are included to compare bids, but are not included in the award.

This project was funded in FY14-15 for construction in 2015; therefore, a rollover budget amendment is required to allocate the remaining FY14-15 funds to the budget line item for FY15-16. The resolution for the budget amendment is included for consideration and includes the amounts to be awarded for contract administration and inspection (proposed for award consideration elsewhere on this agenda) along with material testing (to be awarded administratively).

The construction engineering services award is proposed for consideration elsewhere on this agenda. It is anticipated that this project will be completed by fall 2015.

RECOMMENDED ACTION: Approval to award a construction contract for 2015 Sidewalk Construction and ADA Compliance project to Audia Concrete Construction, Inc., the low bidder, in the amount of \$224,417, subject to final review and approval of form of agreement by City Manager's office and the City Attorney; and approval of a resolution authorizing the rollover of FY14-15 funds in the amount of \$263,728 for these budget line items.

Dear Mr. Croy:

Attached is the Bid Tabulation for the above referenced project. Four bids were received and opened. The following irregularities were noted in the bids:

The low bidder, Audia Concrete Construction, Inc. used differing unit prices for the same item in the different divisions of the contract. Per the Bid Form, the bid is to be revised using the lowest price entered when this occurs. The As Read bid amount of \$241,979.00 reduces to \$239,777.00 after this correction is applied. We have discussed the situation with Audia and they do not wish to withdraw their bid.

The second low and third low bidders also entered different unit prices for the same item in some instances and there also were mathematical errors in the second low bid. No errors or discrepancies were noted in the highest bid. After corrections, Audia Concrete remains the lowest bidder.

Audia Concrete Construction Company has completed similar projects for the City and we understand that they have performed satisfactorily. The bonding company listed in the Statement of Qualifications has an AM Best rating of A++ and exceeds the minimum requirements.

All of the bids are substantially over the Engineer's Estimate. We don't see any way that the design details could be revised to reduce the cost. As a result, rejecting all bids and rebidding the project would likely not result in a lower cost.

We therefore recommend award of the contract to Audia Concrete Construction, Inc. for the corrected Bid Amount, excluding crew day costs, of \$224,417.00.

Please feel free to contact me if you need anything else or wish to discuss the project.

Sincerely,

A handwritten signature in blue ink that reads "Sean Kelsch".

Bid of Audia Concrete Const, Inc. hereinafter called Bidder, organized and existing under the laws of or a resident of the State of Michigan, doing business as A Corporation *.

Insert as applicable: "a corporation", "a partnership" or "an individual".

TO THE CITY OF NOVI, MICHIGAN, hereinafter called OWNER:

The undersigned as Bidder hereby declares: that this Bid is made in good faith without fraud or collusion with any person or persons bidding on the same Contract; that the Bidder has read and examined the Advertisement for Bids, Instructions to Bidders, Bid, General Conditions, Supplementary Conditions, Agreement, Forms of Bond, Specifications and Drawings, as prepared by the ENGINEER, and understands all of the same; that the Bidder of its representative has made personal investigation at the site and has become fully familiar with regard to the conditions to be met in the execution of this Contract, and the undersigned proposes to furnish all labor, materials, tools, power, transportation, and construction equipment necessary for the construction of the Project and performing related work in full accordance with the aforesaid Contract Documents, including any and all Addenda officially issued, their receipt of which is hereby acknowledged:

Addendum No. <u>NA</u>	Addendum Date _____
---------------------------	------------------------

The Contract will be awarded to the lowest responsive, responsible Bidder based on the unit prices for all Work specified.

THE BIDDER SHALL PROVIDE THE SAME UNIT PRICE FOR ITEMS WHICH EXIST IN MORE THAN ONE DIVISION ON THE BID FORM, with the exception of the lump sum (LS) and Crew Days items. The bidder shall provide the estimated quantity of Crew Days required, in the appropriate fields.

In the case of discrepancy the lowest unit price bid for the same item will be used to calculate the total bid.

The Bidder agrees to complete the Project for the following unit prices:
