	208-691.00-983.000 \$ 21,953
	592-000.00-142,000 \$ 22,540

BACKGROUND INFORMATION:

An Invitation for Bids (ITB) for new vehicles was posted on the Michigan Intergovernmental Trade Network (MITN) website. Bids were received from seven firms. The ITB included one (1) crossover and one (1) pickup truck for Community Development, three (3) pickup trucks with plows for DPS Field Operations, one (1) pickup truck for Parks, Recreation and Cultural Services, and one (1) crossover for DPS Water & Sewer Division.

All vehicles will replace existing fleet vehicles with the exception of the crossover for Water & Sewer. This crossover will be an addition to the fleet.

The vehicles for Community Development will be used for City staff for construction inspections (crossover) and Code Enforcement (pickup truck). The pickup trucks for DPS Field Operations will be used for departmental operations including daily transportation, hauling equipment and material, snow maintenance operations, road repairs and drainage activities. The pickup truck for Parks, Recreation & Cultural Services will be used for pickups and deliveries for special events and programming, maintenance, assistance for other City departments, and miscellaneous requests. The crossover for Water & Sewer Division will be used by Water & Sewer administrative staff for daily operations.

The recommendation for each vehicle is for the lowest bid meeting all specifications.

RECOMMENDED ACTION: Approval to award the new vehicles bid as follows: two (2) 2013 Ford F150 pickup trucks and three (3) 2014 Ford F350 pickup trucks with plows from Varsity Ford in the amount of \$131,059, and two (2) 2014 GMC Terrain crossovers from Red Holman Buick GMC in the amount of \$45,080.

Tire pressure monitoring system

Spare Tire Floor Mats

CITY OF NOVI

NEW 2013, 2014 VEHICLES

ADDENDUM #1

INTENT: This addendum has been issued to modify and/or interpret the original specifications for the bid/RFP named above. Unless otherwise instructed, the information contained within this Addendum shall take precedence over anything contrary in the original specifications, and shall hereinafter be considered as part of the package.

RESPONSE: The Contractor shall verify receipt of this Addendum on the Bid/Fee Proposal Form.

CONTENTS: Included in this Addendum is one (1) page of written addenda description.

QUESTIONS:

- 1. What side box do you want on Item B. for Parks, Recreation & Cultural Services?

 Answer: We would like an 8' box.
- 2. The vehicle for Parks, Recreation & Cultural Services doesn't seem correct. The spec is asking for a Ford F150 4x4 Regular Cab yet several of the items are not available on an F150 and never have been. These items are V8 Engine (minimum 6.2L), Roof Clearance Lights, LT265/70R17 BSW A/T Tires, 10,000 # GVWR Package (68D).

Answer: We are looking for a F150 XL 4X4 Regular Cab. Please eliminate the following: V8 Engine (minimum 6.2L), Roof Clearance Lights, LT265/70R17 BSW A/T Tires, 10,000 # GVWR Package. Please <u>add</u> the following option: 5.0L V8 Engine. We would be interested in knowing the additional cost for the Heavy Duty Payload Package. Please provide the price for that option in the Comments section for this vehicle.

Sue Morianti Purchasing Manager

Notice dated: August 9, 2013
