### BACKGROUND INFORMATION:

The Eight Mile Road pathway project consisted of the construction of an 8-foot wide concrete pathway along the north side of Eight Mile Road, between Garfield and Napier Roads. In 2017, the City completed the mile long segment, between Beck and Garfield Roads. With both segments complete, this pathway officially connects the existing sidewalk along Eight Mile Road in the City of Northville and the south side of Eight Mile Road near the entrance to Maybury State Park. The newly constructed pathway also connects into the existing trail within ITC Park and the existing ITC Trail located along the ITC Corridor, which can be accessed through the ITC Park.

This contractor was also able to provide the City with assistance to reconstruct two large portions of an existing boardwalk, located on the west side of Beck Road, between 10 and 11 Mile Roads (known as the Kirkway Boardwalk). This boardwalk had deteriorated to a point where it had to be completely closed to the public until these repairs were implemented. Change Order No. 2 was issued to Koala-T Construction for this work.

The construction contract was awarded for this project at the August 28, 2017 City Council meeting to Koala-T Construction, Inc., in the amount of \$447,711.75. Engineering staff worked with the engineering consultant for this project, Spalding DeDecker to review and verify the final contract payment amount of \$117,752.31 that is due the Contractor (Final Pay Estimate No. 4, attached). The City Attorney reviewed the documentation and found it to be in an acceptable form (Beth Saarela, January 14, 2019).

There were two (2) approved change orders issued for this project resulting in an overall increase of \$80,370.35 to the construction contract, or 17.9% over the awarded amount. Change Order No. 1, in the amount of -\$15,785.65, constituted the balancing of all unit price items for the base contract. Change Order No. 2 involved the addition of the repairs made to the Kirkway Boardwalk in the amount of \$96,156.00. The approved change orders resulted in a final contract price of \$528,082.10.

**RECOMMENDED ACTION:** Approval of Change Order No. 2 and the final payment to Koala-T Construction, Inc., for the Eight Mile Pathway (Garfield Road to Napier Road) project and the Kirkway Boardwalk Repairs in the amount of \$117,752.31, plus interest earned on retainage.
