out the Plumbing Worksheet

March 04, 2022

Dear Resident,

The City of Novi will once again be inspecting residential properties in your area for cross connections. (Please take note that external Inspections of city water connections will occur on your property without further notice to you). Please check that all hose bib vacuum breakers (if needed) are installed on your residence and are ready to be inspected. More information about the City of Novi's Cross Connection Program can be found at: www.cityofnovi.org > Services > Public Works > Cross Connection.

Please answer the question below and return this letter in the envelope provided. Alternatively, you can fill out the worksheet online at this link <https://arcg.is/110S1v> or scan the QR Code at the top of the page to access the worksheet.
